MID STRENGTH LAGER

Carbs: Low. Strength: Mid. Taste: High.

t took just three days and 50 minutes for Australia to complete a 267-run thrashing of England in the third Vodafone Ashes Test at the WACA Ground.

The result saw the home side level the five-match series at oneall, however it would be the last time Australia tasted victory with England recording innings victories in the following two Tests in Melbourne and Sydney to retain the Ashes.

Making the WACA Test Match all the more enjoyable for parochial West Australians was the fact that two Retravision Warriors stars played leading roles in the win.

After the gates had opened and a sell-out crowd flooded in on day one under glorious sunshine and a temperature of 32 degrees, England dominated the morning session to have the home side on the ropes at 5/69.

An in-form Mike Hussey, coming off his highest Test score of 195 a couple of weeks earlier in Brisbane, combined with wicket-keeper Brad Haddin for a 58-run sixth wicket stand before the local boy was out for 61, bringing fellow Warrior Mitchell Johnson to the crease.

Johnson made a team-high 62 as the last three wickets reaped 79 runs until the Aussies were eventually dismissed for 268.

England went to stumps on day one at no wicket for 29, and openers Andrew Strauss and Alastair Cook began the following morning in a confident manner, adding a further 49 to the total.

But Johnson changed the course of the match with a stunning burst, firstly removing Cook for 32, and then sending Jonathan Trott (four) and Kevin Pietersen (no score) on their way in the same over, both leg before wicket, to have the visitors in trouble at 3/82. The carnage continued in Johnson's next over when Paul Collingwood became another leg before wicket victim and departed for five. At 5/98, the momentum shift had been dramatic.

Johnson's stunning spell saw him take 4/7 in 27 deliveries. He finished with 6/38 from 17.3 overs, helping to skittle the visitors for 187, a deficit of 81.

Hussey strode out to bat for a second time in the match late on day two, and he took the home side safely to stumps with an unbroken 55-run partnership for the fourth wicket as the lead grew to an even 200.

Wickets fell around the West Australian run-machine but he managed to bring up his 13th Test century - much to the delight of his home crowd and team mates. Hussey was dismissed shortly after tea for 116 as Australia set England an unlikely target of 391 for the win.

The Aussies were on the brink of victory at the close of play on day three with England struggling on 5/81. Johnson had sent Strauss on his way for 15 before claiming the valuable scalp of Trott for 31 in the penultimate over before stumps.

The end was nigh on the fourth day when Johnson clean bowled Graeme Swann for nine, and it was game over soon after with Steven Finn the last man out. Johnson was named Man of the Match after picking up match figures of 9/82.

A total of 16,616 fans were on hand to witness the last rites being given to the visitors, meaning the total match attendance was just under 80,000 spectators in a massive show of support for Ashes Test cricket by the WA public.

The path to becoming WA's 46th Test representative contained many twists and turns for Michael Beer, and his rise to a baggy green was one of the great stories in an otherwise bleak Ashes summer.

The year 2010 began like so many others for left-arm spinner Beer, as he toiled away for his beloved St Kilda Cricket Club and played some second XI games for Victoria.

Beer had come under the notice of selectors in his home state, but with leg-spinner Bryce McGain having a lock on a position in the Bushrangers' Sheffield Shield team and youngster Jon Holland preferred for one day fixtures, a place in the Victorian line-up was looking a more remote possibility.

He first came under the attention of the WACA State Match Committee, and in particular former Warriors Head Coach Tom Moody and newly-appointed Talent Manager Doug Harris, towards the end of the 2009-10 season.

Beer was the leading wicket taker in the 2009-10 Victorian Premier Cricket competition, picking up 53 scalps at 15.92. It was the fourth summer in succession that he had been the Saints' most prolific bowler.

He was flown to Perth to meet with the Warriors coaching and support staff, now headed by Mickey Arthur, who himself had only arrived from South Africa 24 hours earlier.

"I had been informed that Beery was arguably the best spinner outside of the state system in Australia," Arthur said.

"Even though he did not have a state contract, he was often invited to the Centre of Excellence to take part in spin bowling workshops, which was an indication that he was being looked at closely by Cricket Australia personnel."

Beer secured a Retravision Warriors contract for 2010-11, and after tidying up some loose ends in Melbourne and saying goodbye to his friends from St Kilda, he joined pre-season training towards the end of June.

An impressive performer on the track, Beer shed seven kilograms in the lead-up to the new summer of cricket and quickly stamped himself as an automatic selection for the Warriors' first matches of the season against his former state at the WACA Ground.

It was a tough initiation as Brad Hodge got hold of him in his Ryobi One-Day Cup debut, but he picked up three wickets in the Sheffield Shield match that followed against the Bushrangers and did not look out of his depth.

The breakthrough came for Beer when the Warriors played England in a tour match at the WACA Ground in early November. He took 3/108 in the visitors' first innings, snaring the vital scalps of Jonathan Trott, Ian Bell and Matt Prior, all of whom went on to be prolific run scorers in the forthcoming Ashes series. He then backed it up in the second innings with 2/99, removing Kevin Pietersen and Paul Collingwood.

Arthur raised some eyebrows at a media conference following that tour match when he declared Beer would be pushing for Test selection if he was in South Africa.

A couple of weeks later he helped bowl the Warriors to victory on the final day of their Shield match against the Bushrangers at the MCG. The calls for Beer to be considered for higher honours became louder. They were deafening when Shane Warne pushed the case of his former St Kilda team mate in his London newspaper column a few days out from the third Vodafone Ashes Test in Perth.

After Nathan Hauritz was overlooked for the first two Tests and Xavier Doherty struggled in both matches, one of the selection shocks of the summer was confirmed on Friday 10 December when Beer was named in a 12-man squad for the WACA Test.

"It is a big call from us to throw him into this position," National Selection Panel Chairman Andrew Hilditch said at the time.

"The reality is Michael has no international experience (but) everything we get back is that he is someone who will handle this pressure, which is critical.

"We have to put some faith in young blokes and hope they stand up".

Beer was playing for the Warriors in a Shield game at the Gabba and suddenly was dealing with an army of reporters and photographers as he walked out to bat that afternoon.

Fronting a hastily arranged media conference shortly after stumps, the enormity of the situation was still to sink in.

"Twelve months ago I probably wasn't a professional cricketer, that's in all facets," Beer said.

"Then Western Australia gave me the opportunity under Mickey Arthur and they've been really great and backed me."

Beer missed the final XI for the WACA Test as Australia opted for a four-pronged pace attack. He rushed to Hobart to join the Warriors squad for a Shield encounter against Tasmania.

He carried the drinks in the Boxing Day Test, then received news that he would make his debut alongside NSW batsman Usman Khawaja in the fifth Ashes Test at the Sydney Cricket Ground.

Beer admitted in the days leading up to the Test that he had not even been to the SCG, let alone played on the hallowed ground.

"Experience? You'd say zero," Beer said when asked at a prematch media conference what his experience of SCG conditions covered.

He was denied a maiden Test wicket when he dismissed England opener Alastair Cook, only for it to be called a no-ball, but he sent Paul Collingwood packing the following day to ensure he achieved the feat.

His composure after missing out on Cook's scalp was applauded by senior teammates, such as Mitchell Johnson.

"You could see the reaction on his face when he was called for it," Johnson said.

"It was a big moment for him and he did come out and continued to bowl well after that and credit to him."

With Australia's Test commitments complete for 2010-11, Beer would have to wait until a tour of Sri Lanka in September 2011 to push for another opportunity to wear the baggy green.

Having turned 27 in June, time is well and truly on Beer's side as he seeks to build on the one Test that was a culmination of a remarkable and meteoric rise.

HOGAN SHOULDERS BIG LOAD

Two years of great commitment and toil was rewarded when Retravision Warriors paceman Michael Hogan claimed the Laurie Sawle Medal for the team's most outstanding player over the course of the 2010-11 season.

Many forget that Hogan, who turned 30 in May, has only been on the interstate scene for such a short space of time. In 2009 he accepted an invitation from former Warriors Coach Tom Moody to come to Perth for a trial and he has not looked back since.

Impressing at his initial test, Hogan was quickly snapped up by the Warriors and knuckled down for a rigorous training program. After capturing 5/43 in his first outing for Fremantle he made his Warriors debut one week later in an interstate one day match against Queensland at the WACA Ground.

Hogan was one of the success stories of the Warriors' 2009-10 season, playing eight interstate one day matches, seven in the Weet-Bix Sheffield Shield and three KFC Twenty20 Big Bash games, taking 31 wickets across the three interstate competitions, including 5/83 in a four day encounter against South Australia at the WACA Ground.

Entering his second summer of interstate cricket, Hogan was looking forward to being part of a strong fast bowling attack.

But one by one the pacemen dropped like flies. Steve Magoffin and Brad Knowles were sidelined by season-crippling knee injuries, Ashley Noffke retired after the first round of Sheffield Shield and Ryobi One-Day Cup fixtures, and Brett Dorey was working his way back to full fitness after Achilles surgery.

The onus was put on Hogan and rookie Ryan Duffield to shoulder the load in a severely undermanned line-up.

"I had a few chats to (Warriors Head Coach) Mickey (Arthur) about what it was going to be like to lead the attack and it was going to be tough," Hogan said.

"Mickey told me to do what I do best, which is focusing on just bowling in the right areas, and that would be the way to do the job.

"If that was what leading the attack required then so be it."

After bowling well in the opening Ryobi One-Day Cup matches against Victoria and New South Wales, boasting an economy

rate of around four runs per over, the rewards came in the return bout against the Bushrangers at the MCG when he became just the eighth WA player to take five wickets in an interstate limited-overs fixture.

He followed up that haul of 5/44 from 12 overs with another match-winning effort four days later against South Australia at Adelaide Oval, snaring 3/49 from 11 overs in a five wicket win.

The five-for at the MCG carried extra significance for Hogan, who saluted the heavens when claiming his final wicket.

"A good friend of mine had passed away in the week leading into the game," Hogan said.

"Taking five wickets in an innings at the MCG is special in itself, but after losing a mate as well I was happy to do that for him too."

Hogan not only starred in the coloured clothing, with his 6/70 against Tasmania at Bellerive Oval prior to Christmas his best ever figures in a first class match. He picked up 28 wickets in the Sheffield Shield competition, while he led the Warriors' wicket takers in the Ryobi One-Day Cup with 15.

After a delayed start to his KFC Twenty20 Big Bash campaign, he made his presence felt immediately by clean bowling Victorian star Brad Hodge with his first delivery in the competition - a searing in-swinging yorker. He played three matches, taking 4/26 in the win against the Bushrangers and finishing with a very respectable economy rate of 6.75.

Towards the latter part of the summer, he would team with Duffield and Nathan Coulter-Nile to form an exciting pace combination that gave Warriors fans hope for the future.

"The young fellas came in and were taking a few wickets, and that was great to see," Hogan said.

"They are the future of the Warriors and I am very happy to see them do well."

Hogan succeeded in Sydney Grade Cricket for Northern Districts and also represented the NSW Cricket Australia Cup side and NSW Country before making the move to Perth. Other promising quicks are following a similar path across the country in the hope of igniting their interstate cricket dreams.

Just as the likes of James Podsiadly and Nick Duigan have been role models for aspiring footballers that thought their opportunity at AFL level had passed, Hogan has provided tremendous inspiration for cricketers plying their trade in District or country ranks that success can come to those prepared to persevere.

Meanwhile the Warriors have bolstered their pace stocks for the 2011-12 season by signing another Novocastrian in Mark Cameron along with former Queensland quick Nathan Rimmington.

Hogan is looking forward to healthy competition for spots in the final XI across all formats this summer.

"The pre-season training has been great and things are really looking on the right track for the start of the season," he said.

"There is plenty of firepower and plenty of wickets in our bowling group and I reckon it is going to go really well."

Having genuine depth in the pace bowling stocks served Queensland and New South Wales well for much of their golden era, and Retravision Warriors fans will be hoping it is a key to sustained success as Mickey Arthur and his team aims to take WA back to the top of the Australian cricket tree.

STUMPS DRAWN FOR DOREY & NOFFKE

As one Retravision Warriors fast bowler went from strength to strength and took out the team's highest individual honour, there was an end of an era as two veteran quicks retired from interstate cricket.

Brett Dorey called it a day at the age of 33 after eight seasons spearheading the Warriors' attack. Debuting in the 2004-05 season, the towering paceman played 44 first class, 49 one day and 20 Twenty20 matches for Western Australia, while also representing Australia in four one day international games in the summer of 2005-06.

Dorey played under-age cricket for WA in the late 1990s before putting his promising career on hold whilst travelling through Europe. A promising footballer, he also played juniors with WAFL club South Fremantle.

He burst on the Australian domestic scene in 2005-06, snaring career best figures of 7/86 against Queensland at the Gabba prior to Christmas. Shortly into the New Year he made his debut for Australia against South Africa in a one day match held at Docklands.

Dorey later toured Bangladesh with the Australian limited-overs squad in 2006 and was named the Laurie Sawle Medallist for the most outstanding Warriors player of that season.

A variety of injuries limited Dorey's presence in the Warriors' team over the next few summers, but he reaped the benefits of an uninterrupted pre-season with arguably his best and most consistent season in 2008-09.

Dorey led all wicket takers in the Weet-Bix Sheffield Shield with 42, which included his first ten wicket match haul against Queensland at the Gabba.

He also led the Warriors' bowlers in the interstate one day competition, picking up 13 wickets at 26.84, and skippering the team in the historic fixture against South Australia in Bunbury following the late withdrawal of Marcus North due to a finger injury.

The accolades flowed at the end of that season when he was judged to be the inaugural MasterCard Interstate Most Valuable Player and taking out the Players Choice and Excalibur gongs at the WACA Premier Cricket Awards.

"This was the state I grew up in and always dreamed to play for," Dorey said when announcing his retirement in March 2011.

"I was also fortunate to represent my country and that is something I will always remember and regard as a highlight of my career.

"There are so many people that I have to thank, including Fremantle Cricket Club for giving me the chance to play grade cricket, the WACA for the opportunity of playing for my state, all of my team mates and coaches, as well as my family and my partner.

"I have made so many good friends from cricket and they will remain mates for life. I will certainly miss being around the change rooms.

"The only regret I have is not winning a domestic title with WA in seven years, but I have no doubt that with Mickey Arthur in charge and the young talent we have coming through, there are a lot of good times for the Warriors ahead and they can win some silverware in the coming seasons."

Retravision Warriors Head Coach Mickey Arthur said it was a great shame that injuries curtailed what looked to be a very promising career at international level.

"I first encountered Brett five years ago when he was playing for Australia and he looked a bowler of immense talent," Arthur said.

"While his time at the very top was limited due to injury, he has continued to be a valuable performer at interstate level and a great credit to Western Australia.

"It has been a pleasure to have Brett under my charge and to have him around the playing group."

Retravision Warriors Captain Marcus North said Dorey's contribution to WA cricket was huge.

"Brett has always led by example on and off the field with his professionalism and outlook on the game," North said.

"Since first playing with Brett in the State Under 17 side we shared some great memories. I was proud to see him receive his baggy gold cap when he made his first class debut for Western Australia and was thrilled to see him go on to represent his country.

"He is one of the characters in our dressing room and his presence will be greatly missed, and I hope the players that follow him benefit from the example that he set."

Meanwhile Ashley Noffke retired from first class cricket early in the 2010-11 season before calling it guits from all forms of the game at the end of the summer.

Noffke joined the Retravision Warriors in 2009 after playing in three Pura Cup victories and one Ford Ranger Cup win with Queensland and also undertook three tours with the Australian Test team - to England in 2001 and to the West Indies in 2003 and 2008.

He attained his Cricket Australia Level III coaching certification in 2010 and spent much of last summer assisting the Warriors coaching staff.

"As I got closer to the first match this season, I felt that the time was definitely right for myself and my team mates to end my first class playing career, and it was an easy decision to make," Noffke said in October 2010.

"I thank the WACA for giving me the opportunity to come and play at the WACA Ground and experience life in Perth, and express my gratitude to Queensland Cricket for giving me a start at interstate level."

Arthur said Noffke was an exceptional performer at the highest level for over a decade and is someone who deserved to bow out with the utmost respect.

"His record speaks for itself and he is an outstanding character, always displaying the finest of values," Arthur said.

"It was very pleasing that he remained to help guide our young, developing players in the next phase of their career."

The likes of Nathan Coulter-Nile, Ryan Duffield, Matt Dixon, Jason Behrendorff and Joel Paris will lead the next wave of quicks coming through WA cricket, eager to fill the giant shoes left behind by Dorey and Noffke.

JACOB'S CREEK® True Character

The Retravision Warriors' Weet-Bix Sheffield Shield campaign followed a familiar path in 2010-11, with five players making their debut as the changing of the guard continued in WA cricket.

There were some bright moments, including a comprehensive win over the two-time defending champions Victoria at the MCG, opener Marcus Harris breaking a long-standing record for the youngest player to score 150 in an Australian first class match, and a magnificent debut season from left-arm quick Ryan Duffield. But as was the case in the other two competitions an inability to string together a series of victories would ultimately prove costly.

The Bushrangers victory got the Warriors on the board and it was due largely to the form of Australian representatives Mitchell Johnson and Mike Hussey. Johnson claimed Man of the Match honours for an unbeaten 121 and figures of 5/35 in the first innings, while Hussey made 118 in the second dig to ensure he would be lining up in the first Ashes Test, which was played at the Gabba a week later.

But the euphoria from that performance evaporated following outright defeats at the hands of eventual finalists New South Wales and Tasmania leading up to Christmas. When the competition resumed following the KFC Big Bash, the Warriors posted strong wins at home against South Australia and Queensland, but dropped return bouts with the Tigers and Blues.

Shaun Marsh pressed his case for higher honours, despite injury restricting him to only four matches across the summer. He scored 414 runs at 59.14, including a fine double of 137 and 89 against the Redbacks in Adelaide, falling just short of becoming only the seventh WA player to achieve the feat of hundreds in both innings. Adam Voges was the team's leading run maker with 578, closely followed by opener Wes Robinson (546). The latter passed 50 four times but was unable to convert to three figures, something he will aim to rectify in 2011-12, while Marcus North hit two centuries and finished with 488 runs at 40.66 from seven matches.

Duffield's emergence was one of the highlights of the summer for the Warriors, as he claimed 33 wickets at 22.90, including nine for the match against New South Wales. Laurie Sawle Medallist Michael Hogan led the bowling attack following a spate of pre-season injuries to the quicks and picked up 28 wickets, while Nathan Coulter-Nile showed promise late in the season, finishing with 21 scalps at 22.04.

There was a new look to the interstate one day competition in 2010-11, as Cricket Australia welcomed a new sponsor and implemented a radical change to the format. Matches in the Ryobi One-Day Cup were reduced to 45 overs a side and team innings would be split into two phases, consisting of 20 and 25 overs.

The Retravision Warriors faced a tough start, playing eventual champions Victoria (twice) and another powerhouse New South Wales in their first three games. The Bushrangers proved far too strong in the opening contest at the WACA Ground thanks to a big century from Brad Hodge, but after a narrow loss to the Blues in Sydney, the Warriors turned the tables on the Vics to win the return match at the MCG.

They remained in the hunt for the top two after beating Queensland at the WACA Ground early in December, but hopes were dashed after successive defeats to the Bulls and Tasmania on the road prior to Christmas. Victories against South Australia and the Tigers at home ensured a respectable finish to the year and fourth place on the table.

Skipper Marcus North led the way despite playing just five matches due to international commitments. He scored 335 runs at 83.75, and struck back-to-back hundreds in the final two games against the Redbacks and Tigers, earning Man of the Match awards in both encounters. Another to achieve the feat of two centuries in two outings was Liam Davis, who started the competition in a blaze with an unbeaten 116 against NSW and 108 against Victoria.

Vice Captain Adam Voges was the third highest run scorer with 332 at 47.42 and a best of 85 not out against the Redbacks in Adelaide. Michael Hogan was the shining light with the ball, taking 15 wickets which included his first five wicket haul in a match - 5/44 in the stunning win at the MCG. Fellow quick Brett Dorey picked up 12 scalps at 25 in only six matches, while rookie Ryan Duffield captured ten in a promising debut season.

A lack of consistency was a major issue for the side throughout the tournament as they were unable to string more than two wins together. With more experience under the belt of several players, the Warriors will be aiming to rectify this next summer and make a push towards their first finals appearance in eight years.

As they had done the previous two seasons, the Retravision Warriors came into their final qualifying round fixture in the KFC Big Bash knowing a win would see them advance to the Preliminary Final, but once again they ultimately fell short of having a crack at the Champions League Twenty20 competition.

Minus star recruit Chris Gayle, who left to join his West Indies team mates on their brief one day tour of Sri Lanka, the Warriors were soundly beaten by Tasmania at Bellerive Oval to bring an end to their charge.

Gayle returned for his second stint with the Warriors in 2010-11, and he was joined by England and Lancashire paceman Sajid Mahmood, a proven Twenty20 performer in the UK. Both arrived in Perth in the days leading up to the first match of the tournament, against the Tigers at the WACA Ground, and took time to blow away the cobwebs. Former Victorian paceman Mick Lewis was drafted into the Warriors squad on the eve of the tournament, providing experience and a proven ability to bowl at the death.

After a heavy defeat in the opening fixture, the Warriors burst back to life in their next outing against New South Wales at Sydney Olympic Park. Shaun Marsh (85 from 45) and Gayle (61 from 30) put the result beyond doubt with a blistering 101-run opening partnership inside nine overs.

Two matches back at the WACA Ground followed, the first resulting in another defeat against South Australia, but the second delivering a big win over Victoria which kept the Warriors' hopes alive. Michael Hogan returned to action against the Bushrangers and dismissed Vic danger man Brad Hodge first ball with a superb in-swinging yorker. Marsh then put the result beyond doubt with a swashbuckling 93 not out from 59 deliveries.

That would be the last the Warriors would see of Marsh, who was seconded to the Australian one day side following the Bushrangers match. But Gayle signed off from the competition by destroying the Queensland attack at the Gabba, smashing 92 from 40 balls to lead the way in the Warriors' 32-run victory.

Two nights later the Retravision Warriors would play their last Twenty20 fixture, losing to Tasmania by 40 runs. Next summer a new competition commences, the KFC T20 Big Bash League, with the Perth Scorchers flying the flag for WA against seven other city based teams.

Channel Nine Perth the home of

WA CRICKET

Nightly 6.00 with Mark Readings

The Australian interstate women's program was revitalised in 2010-11, with all teams playing more Twenty20 fixtures. Sides met in triple-headers, with a WNCL match sandwiched between two T20 encounters.

The Western Fury's first assignment was against the SA Scorpions at the WACA Ground. The home side lost the opening Women's Twenty20 match by 11 runs. Chasing 122 for the win, the Fury was held to 9/110.

The Fury defeated the Scorpions by 89 runs in their first WNCL fixture. After posting a competitive 8/262 from their 50 overs, with Jenny Wallace top-scoring (59) and receiving great support from Merrilees (49) and Stammers (47), Rene Farrell claimed 3/22 from eight overs and Mel Holmes took 3/19 from seven as the visitors were dismissed for 173 in 46 overs.

The hosts recorded a tense six-run victory in the second Twenty20 game the following day. Stammers' 57 helped the Fury to 7/119 from their 20, and although Karen Rolton's half-century kept the visitors in the hunt, they would have been disappointed to finish on 2/113 off their allotted overs.

It was off to Geelong for the Fury's first road trip of the season, and the wet Victorian weather was playing havoc with the triple-header against DEC Spirit. Defending a total of 6/125 in the first Twenty20 fixture, the Fury had their noses in front when the home side lost three quick wickets to slump to 6/99. But Spirit skipper Rachael Haynes (17 not out from 20) and Briana Binch

(10 not out from 12) carried their team over the line with five balls to spare after an unbroken 27-run stand.

The WNCL match was abandoned after inclement conditions forced the teams off the ground with the Spirit on 4/97 in the 21st over. The rain-affected second Twenty20 encounter was reduced to a Five5 shootout, which the home side won by ten runs. The Vics batted well to post a score of 4/43 from their five overs before restricting the Fury to 6/33 in reply.

The ACT Meteors posted a comfortable nine wicket win in the first Twenty20 clash against the Fury at Manuka Oval. The visitors' top five all made promising starts but an inability to convert early runs into an innings defining score was ultimately costly as they made 7/111 from 20 overs. ACT openers Leonie Coleman and Asha Smith powered their way towards the Fury's total and were no wicket for 94 at the half way mark of the innings. It took just 12.1 overs for the Meteors to pass the Fury score, as Commonwealth Bank Southern Star Kris Britt hit a towering six to win the match in style.

The hosts defeated the Fury by 64 runs in the WNCL game. Britt made an unbeaten 145 from 126 deliveries to help the Meteors reach 6/308 from their 50 overs. In reply, Wallace notched up her fourth one day domestic 50 and passed her previous best of 87, but she would unfortunately fall just short of a maiden century when she was bowled by Charlotte Anneveld on 90. Merrilees contributed 45 to the cause, but the innings came to a close on 5/244 after 50 overs, with Stammers not out on 33 off 31.

The Fury ended the three-match series on a positive note with a 14-run victory in the second Women's Twenty20 encounter. Player of the Match Nicole Bolton struck a magnificent halfcentury to help steer the Fury to 4/146 from their 20 overs, before the home side was kept to 5/132 in reply.

New South Wales was next on the agenda for the Fury as they had their third straight series away from home – a triple-header against the powerful Lend Lease Breakers. The hosts made 5/158 from their allotted overs in the opening Twenty20 fixture after winning the toss and choosing to bat. The visitors were restricted to 8/103 in reply as the Breakers claimed victory by 55 runs.

The WNCL game had special significance for the Fury and Avril Fahey as the evergreen all-rounder became the first female cricketer to represent WA 150 times at the senior level. Unfortunately the Breakers rained on the celebrations by chalking up a four wicket win at the Sydney Cricket Ground. Stammers scored a fine 53 not out but struggled for support as the Fury was bowled out for 156 in the 41st over. Although the visitors were able to make regular breakthroughs, the home side still passed the victory target in the 35th over to earn one bonus point.

The Breakers made it three from three when they notched up a seven wicket win in the second Women's Twenty20 encounter at Blacktown. After winning the toss and electing to bat, the Fury again lost wickets in succession throughout its innings to be held to 7/99 from their 20 overs. Rene Farrell proved her worth yet again with a team-high 29 off 35 balls. Any hopes of the Fury being able to defend its total were dashed by Alyssa Healy, who carried her bat and was not out on 45 from 46 balls to see the Breakers over the line at 3/103 in the 17th over.

Back home at Floreat Oval, the Fury crushed Konica Minolta Queensland Fire by nine wickets in the first Twenty20 match. An in-form Renee Chappell took 3/17 from her four overs to ensure wickets fell at regular intervals. Chasing 108 for victory, Fury openers Wallace and Bolton put on a 92-run partnership at the top. Wallace made an even 50 from 41 deliveries, which included six fours and a six. Bolton (48 not out from 16) saw the Fury home at the completion of the 16th over.

It was another convincing performance in the WNCL clash as the Fury cruised to a six wicket victory, successfully chasing the target of 192 in 38 overs to earn a bonus point in the process. The win was set up thanks to half-centuries to Stammers (64 from 63) and Merrilees (61), who put on 100 runs for the third wicket.

A five wicket win in the second Women's Twenty20 clash completed the hat-trick for the Fury. Farrell took care of the Fire top order, picking up the first three wickets to fall as the visitors struggled to 7/30. An unbroken 61-run stand for the eighth wicket between Beth Mooney and Kathryn Jenkin pushed the Fire to 7/91 from their 20 overs. The home side coasted to victory with 16 balls and five wickets to spare, capping off a very strong weekend of cricket.

Playing before a KFC Twenty20 Big Bash encounter at the WACA Ground, the Fury defeated the Cripps Tasmanian Roar by ten runs. Batting first and making 113, the Fury was well contained by Tasmania's attack until Avril Fahey and Rachael Giggins shared a vital partnership of 49 for the fifth wicket. Giggins completed a fine all-round game, taking 2/21 from her four overs. Chappell also finished with figures of 2/16 from four as the Roar was kept to 8/103 from their 20 overs.

It was five straight wins across both competitions when the Fury completed a narrow three wicket win over the Roar in a WNCL match at Floreat Oval. Tasmania was bowled out for 188 in the 49th over. Ash Endersbee took 3/21 in her WNCL debut for the Fury, while Holmes picked up 2/16 and Chappell snared 2/22. The pair then dug in to share an unbeaten 39-run partnership for the eighth wicket to see the Fury home with 17 balls remaining. Holmes was not out on 39 and Chappell was on 17.

The Fury ended its 2010-11 national campaign with a seven run loss to the Roar in the second Women's Twenty20 contest. The visitors made 8/124 from their 20 overs after winning the toss and choosing to bat first, before restricting the Fury to 8/117 in reply to register their first win in the shortest form this summer.

The Fury placed fifth in the Twenty20 competition with five wins from 12 matches, while three victories and a draw in six WNCL fixtures saw them finish fourth.

It was an end of an era at the conclusion of the season with Head Coach Steve Philippe standing down after five years in the position, while Merrilees announced her retirement from interstate cricket.

WACA PREMIER CRICKET AWARDS

Retravision Warriors paceman Michael Hogan was recognised for an outstanding summer by taking home the major honours at the WACA Premier Cricket Awards, held at Perth's Hyatt Regency Hotel on 24 March.

Hogan received the Laurie Sawle Medal for the Warriors Player of the Year, along with the Excalibur Award for the player who best upholds the Spirit of the Warriors as voted by the WACA State Match Committee.

Hogan trailed Shaun Marsh by six votes heading into the final Weet-Bix Sheffield Shield matches of the summer but overtook the Warriors top-order batsman to claim his first Laurie Sawle Medal after a highly consistent season with the ball across all three formats of the game.

He polled 33 votes to win from Marsh on 31 and rookie quick Ryan Duffield, who placed a highly creditable third with 30 votes. Skipper Marcus North and his deputy Adam Voges (both on 26) rounded out the top five.

Hogan shouldered the Warriors' attack in 2010-11 after pre-season injuries sidelined senior quicks Brett Dorey, Steve Magoffin, Ashley Noffke and Brad Knowles.

He picked up 28 wickets in the Weet-Bix Sheffield Shield, including a best of 6/70 against Tasmania at Bellerive Oval, while he led the Warriors' wicket takers in the Ryobi One-Day Cup competition with 15. His haul of 5/44 in the upset victory over Victoria at the MCG was just the eighth time a WA player had taken five wickets in an interstate one day competition match.

After a delayed start to his KFC Twenty20 Big Bash campaign, Hogan made his presence felt immediately by clean bowling Victorian star Brad Hodge with his first delivery in the competition - a searing in-swinging yorker. He played three matches, taking 4/26 in the win against the Bushrangers and finishing with a very respectable economy rate of 6.75.

Retravision Warriors and Australian batsman Mike Hussey was awarded the Gold Cup for the fifth time in the past six years as WA's most outstanding cricketer across all levels as voted by local sporting media.

During the voting period, which ran from the close of the Retravision Warriors' 2009-10 season until their concluded 2010-11 campaign, Hussey played 11 Tests against New Zealand (two), Pakistan (two), India (two) and England (five), notching up 831 runs at 43.73. The highlight came in the opening Vodafone Ashes Test at the Gabba last November when he struck a magnificent 195 - his highest Test score.

Hussey starred in the 2010 ICC World Twenty20 in the West Indies, leading Australia to the final on the back of an unbeaten 60 from just 24 deliveries in the semi-final against Pakistan at St Lucia. He averaged 57.75 in nine Twenty20 internationals, and just under 40 in 13 one day international matches played over the 2010-11 period.

Hussey also played for the Retravision Warriors in three Weet-Bix Sheffield Shield matches, scoring 118 in the second innings of the match against Victoria at the MCG, which the visitors went on to win by 241 runs.

Retravision Warriors Captain Marcus North again led from the front in the 2010-11 season and he took out the Players Choice Award, which is voted on after every Warriors fixture by the players that took part in that game.

North averaged just over 40 in seven Weet-Bix Sheffield Shield matches, with a highest score of 158 achieved in the final game of the summer against New South Wales in Sydney.

He also starred in the Ryobi One-Day Cup, averaging 83.75 in five matches and ending the competition with back-to-back centuries - 104 against South Australia at the WACA Ground and an even 100 against Tasmania at Hands Oval at Bunbury.

The Future Legend award, for the "Rising Star" of Western Australian cricket under the age of 23, went to Ryan Duffield. The left-arm fast bowler began the 2010-11 season with a rookie contract after showing promising form for Gosnells and Melville in the Retravision Shield, along with the WA Futures League team.

A strong pre-season combined with a spate of injuries to the Warriors' pacemen saw Duffield make his first class debut in the opening Weet-Bix Sheffield Shield match of the summer against Victoria at the WACA Ground, and a week later he played his first Ryobi One-Day Cup game against New South Wales in Sydney.

Duffield was the Warriors' leading wicket taker in the Shield competition, and the fifth highest overall, with 33 at an average of 22.90. He claimed 6/77 against New South Wales at the WACA Ground last November, finishing with his best match figures of 9/141, and also picked up ten wickets in the Ryobi One-Day Cup, including a haul of 4/58 against Queensland at the Gabba.

Western Fury wicket-keeper Jenny Wallace won the Zoe Goss Medal for the first time as the most outstanding female cricketer of season 2010-11. The former Commonwealth Bank Southern Stars squad member moved to Perth in 2007 to take up a Female Cricket Officer position with the WACA and has played with the Fury for the past four seasons.

Wallace was the Fury's stand-out performer with the willow in 2010-11, racking up 210 runs at 42 in the Women's National Cricket League, placing her seventh overall for the most runs scored, and 235 runs in the Women's Twenty20, which was the eighth highest in the competition.

She effected 14 dismissals in the Women's Twenty20 (nine catches and five stumpings), which equalled the most for the competition, while eight dismissals in the WNCL (five catches and three stumpings) placed her one behind South Australia's Alicia Dean.

A member of the Fury's leadership group, Wallace is one of the team's most experienced campaigners and she rounded off her season by playing for Melville in the WACA women's competition, who finished runner-up to premiers South Perth.

There was a special presentation made to Western Fury veteran Avril Fahey for playing her 150th representative match with WA's premier women's team during the 2010-11 season. The efforts of pace bowler Rene Farrell, who claimed a hat-trick in Australia's defeat of England in the Women's Ashes Test at Bankstown Oval, were also recognised.

Two legendary names were inducted into the Gallery of Greats, identifying and recognising great contributors to Western Australian cricket since the Association's inception in 1885. This year's inductees were Terry Alderman and Bert Rigg.

Several of Western Australian cricket's successful individuals and teams from the past summer were recognised. WA took out the 2011 Australian Country Cricket Championships in Bunbury, with Coach Brendon King and Captain Rodney Ford presented to the

audience, as were Lindsay Flinn (Coach) and Will Bosisto (Captain) of WA's successful National Under 17 Championship team, which completed back-to-back carnival wins in the 2010-11 tournament.

WA's 45th Test representative Marcus North made a presentation to Michael Beer, who became Australia's 418th and WA's 46th Test cricketer when he made his debut in the fifth Vodafone Ashes Test at the SCG in January.

Two Retravision Warriors squad members who announced their retirement during the 2010-11 season were honoured, with special presentations made to Brett Dorey and Ashley Noffke for their achievements in domestic cricket over the past decade.

The WACA Media Award winners were also announced. The WACA Test Match Media Award was claimed for the first time by Malcolm Conn of The Australian for an excellent article titled "WACA Ensured a True Test of Coverage" which wrapped up a tremendous Vodafone Ashes Test Match last December and responded to the essential criteria of best capturing the essence of the WACA Test Match.

Jacob Kagi's work for Sportal and AAP, in his first season reporting on international and interstate cricket, was recognised as he took out the Emerging Cricket Media Talent honour.

In the radio awards, ABC Radio's Glenn Mitchell was judged Most Outstanding Broadcaster, while the Talking Mariners show on 91.3 Sport FM won for the Best Program Promoting Cricket.

In the television awards, Claire Thomas from Channel 10 won Best Overall News Coverage for the third straight year, recognising excellent coverage given to WA cricket across all levels during the 2010-11 season. Rebecca Perrie from Fox Sports claimed the Best Feature honour for a revealing story on Retravision Warriors all-rounder Matt Johnston fighting his way back into the team following heart surgery on the eve of the summer.

Paul Kane from Getty Images took out the Best Action Photograph award for a snap of rising Retravision Warriors star Nathan Coulter-Nile taken during the KFC Twenty20 Big Bash, while The West Australian's John Townsend swept the print media awards, winning Best Match Report for his wrap of the Warriors' win over New South Wales in the KFC Big Bash, particularly the big hitting feats of star recruit Chris Gayle, and Best Feature for an excellent piece on Michael Clarke ahead of his first Test match as Australian Captain - the fifth Vodafone Ashes Test at the SCG in January.

Finally, Best Grass Roots Feature was claimed by Tania Armstrong of Fox Sports for her story on Tom Beaton gaining a state contract after displaying promising under-age representative form.

AUSTRALIA TEST REVIEW

ith Pakistan still unable to host international cricket, England was chosen as the venue for a two-Test series against Australia in mid-2010. The Aussies were sent in to bat in the first encounter at Lord's, and after making a positive start through Simon Katich (80) and Michael Clarke (47), they lost their last eight wickets for 82 runs to be dismissed for 253. Mike Hussey was unbeaten on 56, while Mohammad Amir (4/72) and Mohammad Asif (3/63) did the damage with the ball. Shane Watson ripped through the Pakistanis, snaring 5/40. Only opener Salman Butt could hold his head high, top-scoring with 63 out of a total of 148. Katich completed a fine double with 83 in the second innings, but the match was delicately poised with Australia on 8/208, an overall lead of 313. Tim Paine's 47 and 56 not out from Ben Hilfenhaus helped the Aussies to 334, setting Pakistan a victory target of 440. Butt chimed in with 92 before Retravision Warriors Captain Marcus North turned destroyer with the ball, taking 6/55 as Pakistan was bundled out for 289 and Australia went one-nil up in the series with a 150-run victory.

The teams headed north to Leeds for the second Test at Headingley. Australia batted first after Ricky Ponting won the toss but they were skittled for just 88 as Amir and Asif ripped through the batting line-up with three wickets each. It was the Aussies' seventh lowest first innings total and their worst in almost half a century. Watson did his best to bring Australia into the contest, taking 6/33 as Pakistan made 258 to carry a 170-run lead into the second innings. A pair of 77s from Clarke and Steve Smith, and 66 to Ponting saw Australia fight their way back, enabling them to set a target of 180 for Pakistan to win. Imran Farhat (67) and Azhar Ali (51) put their side on course for victory, and despite a few anxious moments, Pakistan recorded a three wicket win - their first in a Test against Australia in 15 years - to split the series one-all.

Australia travelled to India for two Test matches in October, starting with a thriller in Mohali. A patient 126 from Watson and 92 to Tim Paine saw the visitors to a first innings total of

428. Zaheer Khan (5/94) was the pick of the Indian bowlers. The home side responded with 405, as the load was shared between Sachin Tendulkar (98), Suresh Raina (86) and Rahul Dravid (77). Mitchell Johnson toiled away to finish with 5/64 from 20 overs. Zaheer (3/43) and Ishant Sharma (3/34) helped restrict Australia to 192 in their second dig, which left India a target of 216 for victory. The Aussies' opening bowlers Hilfenhaus (4/57) and Doug Bollinger (3/32) did their best to put the visitors in a winning position with India 8/124. But VVS Laxman (73 not out) combined with Sharma (31) for a 61-run ninth wicket stand, before number 11 Pragyan Ojha saw the home side over the line alongside Laxman.

The second Test in Bangalore followed a similar script to Mohali, though the final margin was a little more comfortable for the Indians. Ponting won the toss and chose to bat first, and North made his highest Test score (128) as Australia was bowled out for 478. A magnificent double century to Tendulkar (214) and 139 from Murali Viiav set India on course for a lead of 17 after they were dismissed for 495. As was the case in the first Test. Australia failed to bat themselves into a winning position in the second innings, only managing a total of 223. Zaheer and Ojha each took three wickets for the home side, while Ponting's 72 was the best for the Aussies. The target of 207 did not pose as many issues for India as it had done in Mohali, and they coasted to victory with only three wickets lost to complete a two-nil series sweep.

The Vodafone Ashes Series began at the Gabba in Brisbane, with England Captain Andrew Strauss winning the toss on the opening morning and electing to bat. He was back in the pavilion three balls into the match as Hilfenhaus gave the home side a dream start. Peter Siddle's hat-trick on day one was the major highlight. He finished with 6/54 as the visitors were dismissed for 260. Ian Bell top-scored with 76 and Alastair Cook gave a pointer of things to come with 67. Hussey, who had been under intense media scrutiny heading into the series, produced his highest Test score in the Aussie first innings, making a brilliant 195. He combined with Brad Haddin (136) for a 307-run sixth wicket partnership which helped Australia to 481. But any hopes of a quick kill in England's second innings were snuffed out by Cook, who returned fire with an unbeaten 235. Jonathan Trott was unconquered on 135 as the tourists declared at 1/517 midway through the final day. Strauss had made 110 in a 188-run opening partnership. Cook and Trott's unbeaten second wicket stand yielded 329. Australia batted out the remainder of day five, finishing on 1/107 as the match was drawn.

England started the better in the second Test at Adelaide Oval as Jimmy Anderson (4/51) ripped through the Australian top order and Trott ran out Katich to leave the home side in tatters at 3/2. Hussey did his best to rescue the Aussies with 93, and he received support from Haddin (56) and Watson (51), but the first innings total of 245 was well under par on a typical batting friendly Adelaide wicket. The pitch was certainly to Kevin Pietersen's liking, as he returned to form with 227. Cook hammered 148 as England declared their first dig closed on 5/620. Once again the Aussie batsmen failed to convert starts into the big total required. Graeme Swann took 5/91 on a wearing wicket as the home side was dismissed early on day five for 304, handing victory to England by an innings and 71 runs.

Australia claimed victory in the third Test at the WACA Ground (see page 3) to level the series at one-all, meaning there was all to play for on Boxing Day at the MCG. Under grey skies and

overcast conditions, Strauss sent the home side in to bat and Anderson (4/44) combined with Chris Tremlett (4/26) to tear the heart out of Australia's batting line-up. The hosts were bowled out for just 98, and the blue skies would emerge just as Strauss and Cook strode to the wicket to commence the England first innings. A 159-run opening stand set the visitors on course for another massive total, and Trott stamped his mark on the contest with an unbeaten 168. He found a willing ally down the order with Matt Prior making 85. Siddle tried his best in front of his home fans, but England took a lead of 415 into the second innings after being dismissed for 513. Tim Bresnan stepped up to be the destroyer in the Aussies' second time at bat, taking 4/50 as England retained the Ashes Down Under for the first time in 24 years, shooting Australia out for 258 to complete an innings and 157-run victory.

Australia were hoping to square the series and salvage something from the Ashes summer in the fifth Test at the Sydney Cricket Ground, but the match would be a carbon copy of events in Adelaide and Melbourne. The home side was rolled for only 280 in their first innings, with Anderson (4/66) once again the chief destroyer. England responded with another mammoth total of 644. Cook's golden summer continued as he struck 189, while Prior (118) and Ian Bell (115) notched up three figures for the first time in the series. The Aussies were knocked over for 281 in their second time at bat, with England securing a 3-1 series result, by streeting to the win by an innings and 83 runs.

In the aftermath of the series, Cricket Australia announced an independent review would take place to examine the reasons for the poor Ashes performance and other aspects surrounding the Australian team, while Ricky Ponting stood down as skipper and handed the reins to Michael Clarke. Their next assignment in white clothing would come in September 2011 with a three-Test tour of Sri Lanka.

ANOTHER BOX THE WARRIORS CAN'T DO WITHOUT.

Australia began their 2010-11 commitments at the Clontarf Cricket Club ground in Dublin with a one day international against Ireland. The game was largely being viewed as a tune-up for a five-match ODI series in England shortly after, however the hosts gave the Aussies a scare before going down by 39 runs.

The NatWest Series between Australia and England began at the Rose Bowl in Southampton and it was the home side which took early honours with a four wicket win on the back of an unbeaten century to an in-form Eoin Morgan. The Irish-born rising Middlesex star was at it again in Cardiff for game two, piloting England to victory with a classy 52. England wrapped up the series at Old Trafford with a tense one wicket win. Australia did wonderfully well to defend a modest total of 212, and looked home when the visitors slumped to 9/203 in reply. But Tim Bresnan and Jimmy Anderson held their nerve in a frenetic finish.

Australia managed to save face when the series moved to London, winning game four at The Oval by 78 runs as skipper Ricky Ponting (92) and his deputy Michael Clarke (99 not out) got among the runs, before Ryan Harris (5/32) destroyed the England batting line-up. WA pair Mike Hussey (79) and Shaun Marsh (59) played a big part in the visitors' 42-run triumph in the fifth and final match at Lord's. The home side was dismissed for 235 in reply to the Aussies' 7/277. Paul Collingwood made 95 while Shaun Tait snared four wickets as the series ended 3-2 in England's favour.

Australia took on India in a short three-game series tacked on to the end of the Test matches played between the two countries. Game one in Kochi was abandoned without a ball bowled due to persistent rain, but the home side won a high scoring classic at Visakhapatnam in match two. A fine century from Virat Kohli enabled India to overhaul a target of 289 with five wickets and seven balls to spare. Rain washed out the third and final game in Margao to ensure India claimed a one-nil series win.

Sri Lanka created history when they won a series in Australia for the first time, defeating the host nation 2-1 in the Commonwealth Bank Series held in early November 2010. The tourists claimed a thrilling one-wicket win at the MCG in game one after looking out of the contest at 8/107 chasing 240 for victory. Angelo Mathews (77 not out) led the rescue mission, and he had great support from Lasith Malinga (56) in a record-breaking 132-run ninth wicket stand. Malinga fell with scores level, but a boundary to Muttiah Muralitharan sealed the remarkable win.

It was off to Sydney for game two where Australia was set a challenging target of 240 for victory in 38 overs following several rain-interruptions. The hosts struggled throughout the chase and were dismissed in the final over for 210 as Sri Lankans rejoiced in sealing the series with one match to play at the Gabba. The third encounter was all Australia as the visitors were bundled out for 115, with Clint McKay (5/33) and second-gamer Mitchell Starc (4/27) among the wickets. The home side cruised home by eight wickets with more than 28 overs to spare.

The second Commonwealth Bank Series of the summer gave Australia one last chance to claim a win over England after they had lost the five-Test Vodafone Ashes Series and split the KFC Twenty20 International matches. The home side was still minus the injured Ricky Ponting, who also missed the fifth Test in Sydney after damaging a finger during the Boxing Day Test.

Michael Clarke led Australia into the opening match of the series at the Melbourne Cricket Ground, but Shane Watson was the hero as he smashed an unbeaten 161 from 150 deliveries to guide the home side to victory in the final over chasing a target of 295.

Retravision Warrior Shaun Marsh returned to the Australian one day team for game two in Hobart, replacing fellow West Aussie Mike Hussey who suffered a serious hamstring injury at the MCG.

Marsh wasted little time making an impact, scoring 110 from 114 balls to help the home side to 230. Doug Bollinger then captured 4/28 as the tourists were bowled out for 184 in reply.

Jonathan Trott (84 not out) played the lone hand at the SCG as England set Australia a target of 215 to take a three-nil series lead. Brad Haddin (54) got the hosts off to a flyer before some middle-order jitters allowed the visitors to have a sniff of victory. But David Hussey struck an unbeaten 68 to take his team to a four wicket win with four overs to spare.

Australia Day at the Adelaide Oval saw England register their first triumph of the series. Trott's run of good form continued as he made 102 and the tourists set Australia an even 300 for victory. A late flurry from Steven Smith and Brett Lee almost stole the game for the home side but England was not to be denied a result that saw them pull the series score line back to 3-1.

On a day when the cricket fraternity did their part to raise funds for those affected by the Queensland flood disaster, Australia wrapped up a series win by recording a 51-run victory over England in game five at the Gabba. The home side struggled to 249 after young all-rounder Chris Woakes snared 6/45 in just his second one day international. The visitors were never in the hunt and only a 53-run tenth wicket stand from James Anderson and Steven Finn ensured some respectability on the scoreboard.

The home side made history in game six at the SCG with the highest ever run chase on Australian soil. Trott starred once again for England with 137 in his team's massive total of 6/333. But Clarke (82) led from the front, along with makeshift number four Mitchell Johnson (57) and Watson (51 from 34) as the Aussies got over the line with eight wickets down and four balls to spare.

Cameron White led Australia for the first time in the seventh and final ODI at the WACA Ground as Clarke and Watson took the opportunity to rest ahead of the upcoming World Cup. Retravision Warriors Vice Captain Adam Voges was called into the Aussie team and made an unbeaten 80 as the hosts set England 280 for the consolation win. Michael Yardy struck 60 not out but three wickets apiece to Johnson and Shaun Tait had

the visitors dismissed for 222. The 57-run victory saw Australia win the Commonwealth Bank Series title 6-1.

The ICC Cricket World Cup was held in India, Sri Lanka and Bangladesh across February and March in 2011, and Australia was shooting for an unprecedented fourth consecutive title. Ponting returned to skipper the side for a third World Cup, but Hussey had not recovered in time from his hamstring injury and was left home. Jason Krejza also received a call-up as fellow spinners Nathan Hauritz and Xavier Doherty were declared unfit.

Australia opened with a comfortable win over Zimbabwe by 91 runs and followed up with an impressive seven wicket defeat of New Zealand. Their first major test of the World Cup was to come against Sri Lanka in Colombo, but heavy rain saw the match abandoned with the home side on 3/146 in the 33rd over and their skipper Kumar Sangakkara looking in ominous touch on 73.

Tournament minnows Kenya and Canada offered some resistance before falling by 60 runs and seven wickets respectively, and Pakistan ended Australia's 34-match unbeaten run at the World Cup, which dated back to 1999, with a four wicket victory in Colombo.

Australia placed third in Group A and this resulted in a massive quarter final clash against India, who finished second in Group B. After winning the toss and choosing to bat, skipper Ricky Ponting made a superb 104 in his side's competitive total of 6/260. Following the early loss of Virender Sehwag, Sachin Tendulkar (53) and Gautam Gambhir (50) put India in control. The loss of Gambhir in the 34th over left the match delicately poised with the home side on 4/168, but Yuvraj Singh took India to victory with an unbeaten 57. He was ably supported by Suresh Raina, who made 34 not out from 28 deliveries. India moved into the semi-finals while Australia would fail to reach the final for the first time since 1992.

Australia rounded off the 2010-11 summer with a brief threegame series in Bangladesh. After completing a 60-run victory in game one, the visitors sealed the series in the second match on the back of an extraordinary individual performance from

Shane Watson. Chasing 230, the opener blasted the highest individual score by an Australian in one day international cricket - an unbeaten 185 from only 96 deliveries, with 15 fours and 15 sixes, to take his side to the win with 24 overs to spare. The Aussies completed a clean sweep in game three but were made to work hard for a 66-run victory - the home side replying to a massive target of 362 with 6/295 from their 50 overs.

AUSTRALIA T20 REVIEW

Australia's Twenty20 form had improved dramatically across the 2009-10 summer which took them all the way to the final of the ICC World T20 in Barbados, where they suffered a seven wicket defeat at the hands of arch-rivals England.

Their first T20 assignment following that tournament came against Pakistan in a two match series held at Edgbaston in Birmingham. Pakistan was eager to exact revenge on the Aussies after they were beaten in a thrilling semi-final at the ICC World T20.

Pakistan claimed victory in the opening encounter by 23 runs. Umar Akmal blasted 64 from just 31 deliveries to enable his side to set a challenging victory target of 168. David Warner got the Aussie run chase off to a flyer with 41 from 31 balls, and with David Hussey also in control (34 from 28), they were on track for the win at 2/81 in the 11th over. But Saeed Ajmal (3/26) and Mohammad Amir (3/27) swung the pendulum back in Pakistan's direction, while Umar Gul (2/13 from three) choked the life out of the Aussie middle-order, as they were eventually dismissed for 144 in the 19th over.

It was back to Edgbaston the following night for the second match, and Pakistan reached 9/162 after winning the toss and batting once again. A highlight was the performance of Steve O'Keefe, who took 3/29 in his Australian debut. Michael Clarke (30 from 17) took the long handle to the Pakistan bowlers, while James Hopes (30 off 28) and David Hussey (33 off 27) did their

best to keep the middle order together, but no batsmen were able to convert their starts into the big score required and the Aussies were bowled out for 151 as Pakistan took the series 2-nil.

The 2010-11 Australian summer of cricket began at the WACA Ground with a KFC Twenty20 International against Sri Lanka at the WACA Ground. The Aussies had been undefeated in ten previous Twenty20 matches in this country and were keen to protect the impressive record.

The home side crashed to 5/43 just after the half way point of their innings, before wicket-keeper Brad Haddin (35 from 30) combined with Steven Smith (34 from 23) for a 66-run sixth wicket stand to rescue the Aussies from disaster. A quick fire 15 off eight deliveries from John Hastings saw Australia to 8/133 from their 20 overs.

The total posed few problems for the visitors, who raced along at almost ten an over for the early part of the run chase. Two quick wickets from Peter Siddle and Dirk Nannes brought Australia back into the match, but Tillakaratne Dilshan (41 from 34) and Captain Kumar Sangakkara (44 not out from 43) took Sri Lanka to the brink of victory with a 71-run partnership for the third wicket. The fall of Dilshan enabled Thisara Perera to put the finishing touches on the win, scoring an unbeaten 17 from just four deliveries to take the tourists home with seven wickets and 21 balls to spare - Sri Lanka's first major triumph on Australian soil.

The Aussies' next opponents were England, with two KFC Twenty20 International matches sandwiched between the Vodafone Ashes Series and seven ODI fixtures for the Commonwealth Bank Series. Australia would have a new leader with Cameron White taking the captaincy from Clarke, who announced his retirement from international T20 cricket after the Ashes defeat.

Adelaide Oval hosted the first encounter and Australia got off to a flying start through Shane Watson, who smashed 59 from only 31 deliveries in an opening partnership of 83 with Warner (30 from 28). But the loss of both openers to England spinner Michael Yardy (2/28 from four) slowed the scoring and the home side finished their 20 overs on 4/157.

lan Bell enjoyed his promotion to open the England innings, scoring a brisk 27 from 17 deliveries, while Kevin Pietersen struck 25 from 11 balls to ensure his team was on track for victory. But Watson backed up his efforts with the willow, bowling magnificently to take 4/15 from four overs to rein the tourists in, despite the best efforts of Eoin Morgan (43 from 33) keeping England in touch. Young all-rounder Chris Woakes held his nerve in the final over of the match, scoring two runs from the penultimate delivery and a single off the last ball to secure a thrilling one wicket win.

Australia levelled the two-match series with a four wicket defeat of the visitors in another enthralling contest at the MCG. Victorian Aaron Finch starred on debut, cracking 53 not out from 33 deliveries on his home ground to take the Aussies to 7/147 from their 20 overs. The spinners again featured for England, with Yardy and Graham Swann both snaring 2/19 from four overs to put the brakes on the Australian innings.

As had occurred in game one, Bell (39 from 30) started the England innings brightly before Watson (2/17 from four) helped bring Australia back into the contest. Mitchell Johnson took three wickets as the visitors were held to 6/143. The hosts snapped their run of five straight losses in the Twenty20 format, and conversely brought an end to England's impressive run of eight straight victories.

Treat yourself to a Streets Ice Cream while you enjoy the game this season!

The Commonwealth Bank Southern Stars were able to do something their male counterparts couldn't in the summer of 2010-11. Regain the Ashes!

The best of Australia's female cricketers took on England in a one-off Test match, held at Bankstown Oval in late January. The tourists had held the Ashes since defeating their old rivals in 2005, snapping a 40-year drought. The home side was not to be denied on this occasion, claiming a seven wicket win on the back of a 125-run third wicket partnership between Sarah Elliot (81 not out) and Alex Blackwell (74).

But the real heroics came the previous day, when Western Fury star Rene Farrell snared a hat-trick on her way to figures of 5/15 from 12 overs, which swung the match back in Australia's favour after they had conceded a 48-run first innings lead.

England's tour of Australia started in Perth, where after playing two warm-up matches against the Fury they took on the Southern Stars in three one day encounters at the WACA Ground. The home side took the honours two games to one, with the highlight coming in the second match where 18-year old Meg Lanning struck an unbeaten 104 to take the hosts to a comprehensive nine wicket victory.

The visitors exacted revenge in the five-match T20 International series, winning 4-1. Matches were played as curtain-raisers to the KFC T20 International clashes between Australia and England at the Adelaide Oval and MCG, before the teams headed to Canberra for three games at Manuka Oval.

The Stars' summer actually opened in New Zealand just after Christmas, as they met the home side for two T20 International matches. The first in Hamilton was washed out without a ball bowled, but the Aussies won game two in Nelson by four wickets.

The Rose Bowl series continued with the final three T20 International encounters being held at Invercargill's Queen's Park in mid-February. The Silver Ferns struck back to take games three and four, but the Stars clinched the series with a thrilling three-run victory in the fifth and final fixture.

The two teams were to meet in three one day internationals at Lincoln University straight after the T20 matches and in Brisbane later in the year. The Lincoln leg was cancelled in the aftermath of

the devastating earthquakes that hit Christchurch in February, and after the first game in Brisbane was abandoned, the Stars wrapped up a series win by recording victories in the next two matches.

Throughout its history, the WACA has enjoyed valued relationships with Government and Government agencies at all levels, as well as with a wide range of community organisations. Those constructive relationships and assistance which has accrued from them has helped shape the destiny of the WACA and contributed to the continued development of cricket throughout the state.

Within the limitations of available space in this publication, we express appreciation to those institutions and individuals for their contributions, assistance and guidance during the past year. This listing of course may never be considered complete and any offence created by an unwitting omission is sincerely regretted.

See also appreciation to WACA sponsors elsewhere in *The Western Cricketer*.

GOVERNMENT

The WACA acknowledges the support of the WA State Government, led by the Premier, the Hon Colin Barnett MLA, and his Deputy, the Hon Brendon Grylls MLA. This Association also acknowledges the accessibility whenever required of Federal and State elected Representatives for our precinct, respectively the Hon Stephen Smith MHR and the Hon John Hyde MLA.

We also record our appreciation to the senior management and staff of various Government Agencies and Departments, in particular:

- Department of Sport and Recreation
- Eventscorp
- Healthway
- Transperth
- East Perth Redevelopment Authority

LOCAL GOVERNMENT

Our thanks continue to go to the City of Perth for advice and assistance with planning and the implementation of procedures for match days at the WACA.

The WACA is deeply appreciative of metropolitan councils and cities and their staff for the preparation of playing and training facilities for cricket at recreation grounds and parks during the summer. We are conscious that they operate in a challenging economic climate and that the services they provide to sport are so important to a healthy and engaged community. The same appreciation is extended to shires and cities of country WA.

EDUCATIONAL INSTITUTIONS

The sports science support provided by The University of Western Australia is much appreciated.

Shortly before the end of this financial year, the Association executed an agreement with Murdoch University that will see a vital second ground and additional practice facilities created for the WACA. We thank Murdoch University for the way in which negotiations were conducted and we look forward to a long and fruitful relationship with them.

A special thank you to our neighbours Trinity College for continuing to permit the WACA to access various parts of their property, resources which are so vital for the conduct of international matches played at the WACA Ground.

PHILANTHROPIC INSTITUTIONS

- Packer Foundation
- Lord's Taverners Australia (WA Branch)
- The Carbine Club of Australia

The Association is extremely grateful to each of the above for their generous contributions to a variety of WACA and Cricket Australia initiated programmes and events which are generally outside the financial support available from mainstream sponsorships.

WESTERN AUSTRALIAN TROTTING ASSOCIATION

Continued thanks are extended to the WATA for their various modes of assistance and access to enable the WACA to conduct its match day operations.

HONORARY LEGAL COUNSEL

Thanks again go to Rob O'Connor for undertaking this role last year in addition to our appreciation for serving as a match day Code of Behaviour Commissioner and as a member of the WACA Board-appointed Honours and Historical sub-committee.

MEDIA

RADIO

720 ABC Perth, Local Radio WA and ABC Grandstand Digital, along with 91.3 Sport FM, provided ball-by-ball coverage of Weet-Bix Sheffield Shield, Ryobi One-Day Cup and KFC Twenty20 Big Bash games throughout 2010-11. We also thank Fairfax Radio Network, through 882 6PR and 96fm, who are a valued WACA partner.

PRINT

The West Australian continued their long-standing partnership with the WACA and kept cricket at the forefront of their summer coverage. The Sunday Times provided outstanding support to cricket in Western Australia including a wonderful focus on the Retravision Shield. Our thanks also to the dedicated team at Community Newspaper Group, who provide great coverage of grass roots cricket in their numerous publications.

The WACA also appreciates the coverage and commitment to WA cricket provided by AAP.

ONLINE

The WACA entered the second year of its partnership with WAToday.com.au in 2010-11 which saw the Fairfax Digital website providing significant promotional support across the summer along with excellent news coverage and a dedicated cricket editorial index. Thanks also to The West Online and PerthNow, who provided outstanding content covering all levels of cricket, along with Sportal and Cadability.

TELEVISION

One of the WACA's greatly valued media partners, WIN Channel Nine once again was a regular presence at Warriors media opportunities and provided fantastic support in 2010-11, while WIN TV supported a number of WACA initiatives in regional areas.

Fox Sports was again the home of domestic cricket in Australia in 2010-11. Their live coverage of Ryobi One-Day Cup and KFC Twenty20 Big Bash matches was backed by outstanding content through the Fox Sports News service.

ABC TV ensured viewers across Western Australia received indepth coverage and high quality news stories of the Warriors and WA cricket throughout the season of 2010-11 and the WACA appreciates the support.

Channel 10 sports reporter Claire Thomas received the WA Cricket Media Guild's Best Overall News Coverage award for the third straight year, recognising the station's commitment to coverage of WA cricket.

Thanks are also extended to Channel 7 for their coverage of interstate and international cricket in 2010-11, as well as GWN for supporting regional media opportunities.

WA CRICKET MEDIA GUILD

Guild President Ken Casellas, Vice President John Townsend and Secretary Don Marsdon again worked tirelessly for the WA Cricket Media Guild, helping to grow the relationship between the WACA and WA's cricket media in 2010-11. The Association is most grateful for the effort they put in, which is all on a voluntary basis. The annual Test Match Function, held at the Crowne Plaza on the Saturday night of the third Vodafone Ashes Test, was well-attended by local and interstate journalists as well as many of the visiting UK media. As always, a wonderful evening was enjoyed by all.

We view all of our sponsors as partners of the game, with a 'team behind the team' mentality. So with plenty of on-field action in season 2010-11, sponsor activities off-field also increased.

Major sponsor, Retravision, had their eighth season as the Naming Rights partner of the Warriors and the WACA District cricket competition - the Retravision Shield. As always, Retravision achieved significant return on investment with their sponsorship, with off-season interest in cricket continuing to increase as the game grows both locally and overseas. Retravision have been a long and wonderful supporter of the WACA and the Warriors, and our heartfelt thanks are extended to them for their on-going commitment to Western Australian cricket.

Eventscorp was a major sponsor of Cricket City Perth, with the Vodafone Ashes Test match being the main focus of the festival in 2010-11. The Cricket City Perth festival not only included the WACA Test Match but other high profile games and events, starting off with the KFC Twenty20 International in October through to the Commonwealth Bank Series one day international in February. In between was the WACA Test Match Sundowner and the Travelling Live Site, which took the live Channel Nine cricket coverage to venues across the Perth metropolitan area. Without Eventscorp's support these events would not have been such a success and we look forward to their support next season with India playing a Test match at the WACA Ground.

Channel Nine is an exclusive television partner of the WACA as well as holding the broadcast rights to international cricket. Channel Nine increased their investment in the WACA during the 2010-11 season by supporting the Test Match Sundowner, which was held on the eve of the Vodafone Ashes Test match in the Trinity Oval marquee. They also supported the Travelling Live Site, which saw the Channel Nine live coverage of the WACA Test Match broadcast on a portable large screen and taken to iconic Perth sites including Scarborough Beach, the Mandurah foreshore, Churchill Park in Rockingham and Hillarys Boat Harbour. Thank you to Channel Nine for the continued support of cricket in Western Australia.

CSBP Fertilisers Ltd had been the sponsors of Junior and Senior Country Week for six years and decided to increase their investment and focus on growing the game from the grass roots level by becoming the naming rights partner of the CSBP Regional Junior Cricket Program. The WACA and Country Cricket in WA are very grateful for CSBP's continued support.

Another sponsor which increased their investment was Centre Ford. Centre Ford already supplied the WACA with vehicles through the national Ford deal but they also provided additional vehicles needed by the WACA's Cricket Officers. The vehicles are essential in getting cricket out to the local community and we thank Centre Ford for their support.

As Twenty20 cricket keeps growing so does the WACA's Statewide Twenty20 competition, and Kalgoorlie Metro Property Group committed to help run and expand this competition for

the next three seasons. KMPG's support in their first year has been fantastic and the WACA looks forward to working with them for the next two seasons and beyond.

Perdaman Chemicals and Fertilisers have been a wonderful supporter of the WACA for many years. After their sponsorship of the Retravision Warriors Head Coach concluded they continued their investment by sponsoring the South West Cricket Academy in Dalyellup. In addition to this the WACA, with the support of Perdaman, introduced Talent Identification officers who work throughout the Perth metropolitan area to seek new cricket talent. These officers are helping to take WA cricket back to the top and Perdaman have greatly assisted in making this happen.

After presenting partner sponsorship of the Test Match Sundowner in season 2009-10, Taylor Woodings continued their support of the WACA as naming rights partner of the new Corporate Cricket competition. The Taylor Woodings Corporate Cricket competition was a huge success in 2010-11 and the WACA is looking to grow the competition even more with the continued support of Taylor Woodings. 32 teams took to Langley Park after work on a Wednesday with the finals played at the WACA Ground.

WAToday.com.au, along with XXXX GOLD and 96fm, provided fantastic promotional support to the WACA in 2010-11 with the Twenty20 Big Bash competition and XXXX GOLD Ultimate Backyard Cricket Experience. This was a great promotion and these WACA partners worked together to promote the Warriors' Twenty20 matches, giving one lucky winner the chance to win the best seats in the house for a match. Thanks to all for their support of domestic Twenty20 cricket.

The Lord's Taverners have long been involved in WA cricket and have continued their support during 2010-11 with the Lord's Taverners Regional Winter Program. The program allowed talent development for all up and coming regional cricketers and was designed to improve the knowledge and skill level of the kids through both practical and theory sessions. This program is integral to the development of regional players and the Lord's Taverners' support is greatly appreciated.

HIGH PERFORMANCE

High Performance Department

With the introduction of the newly created role of WACA Cricket Operations Manager and a new Warriors Head Coach, the High Performance programs and staff were reviewed to make certain we were delivering quality programs and our aspiring male and female athletes were provided the opportunity to be the best they can be. Whilst the existing programs continued to be maintained the focus was ensuring that they were delivering consistent messages for athletes as they progressed through the WA high performance program. It was also critical that athletes were being developed as well as coaches and the District cricket community.

The Emerging Warriors Program was again conducted professionally in all zones by the WACA Cricket Officers. The players participated in a variety of pre-season activities, which included technical, tactical, physical and mental skills development. The program also aided in the talent identification process when teams were selected for the Under 14, 15 and 16 State Zone Carnivals.

The State Zone Carnivals were held at excellent venues across the Perth metropolitan area - Iluka Sports Complex (Under 14s), Guildford Grammar School, Lilac Hill Park and Jones Paskin Reserve (Under 15s), and Tompkins Park and Burrendah Reserve (Under 16s).

The six CSBP Regional Cricket Officers conducted the Regional Emerging Warriors Program, which is similar to the metro version, in all six country regions — Central Districts, Goldfields, Great Southern, Mid-West, Wheatbelt and South West. WACA staff spent time visiting the regions and provided support to the CSBP Regional Cricket Officers. The program assists in the development and talent identification of our best country cricketers.

Ongoing consultation throughout the season saw the staffing structure evolve to provide a clear delineation between the Game Development and High Performance roles of the Cricket Officers. Next season will see four High Performance Cricket Officers (one per zone) undertake all the EWP coaching as well as being the focal point for all high performance needs in their zone. The introduction of the Kerry Packer Cricket Foundation-funded Talented Athlete Program will also provide our best juniors the opportunity to develop holistically as they aspire for the next level.

Coach Education

The WACA Cricket Operations Department, through the newly created role of Coach Education Coordinator, conducted a wide range of courses and workshops to service the critical area of coaching. High performance workshops were conducted centrally at the WACA by Cricket Australia Centre of Excellence staff Dave Fitzgerald (batting) and John Davison (spin).

Two junior coaches workshops were held in the metropolitan area, with Graham House covering pace and spin, and Sport and Recreation Coach in Residence Ashley Byron (NSW) looking after batting. 36 junior coaches attended the metro south workshop and 39 were present at metro north. Another workshop was held in Bunbury for 27 coaches in the South West region.

The Advanced Coaching Course (Level II) was conducted in August 2010 for 48 candidates. The course was supported by the Department of Sport and Recreation through the Coach in Residence program, which funded our experienced and Level III Accredited Coach, Ashley Byron from NSW. The candidates were exposed to high quality presentations from WACA High Performance Coach Lindsay Flinn, Strength & Conditioning Coordinator Mathew Inness, and WACA cricket coaches Peter Waite, Steve Philippe, Jenny Wallace, Rob Wass and Ashley Noffke.

WA sent a strong contingent of coaches to complete the Cricket Australia Level III High Performance Coaching Course at the CA Centre of Excellence in Brisbane from 3-8 April 2011. Coaches completing the course were Ryan Campbell, Steve Magoffin, John Moore and four of our senior District coaches — Graeme Allen (Mount Lawley), Simon Bowman (Scarborough), Aaron Hamilton (Wanneroo) and Ric Olsen (Joondalup).

Emerging Warriors Carnivals

The Emerging Warriors Carnivals had a new look in season 2010-11 to ensure all participants were able to access a quality season-long opportunity to highlight their talents and progress their cricketing aspirations.

WA GOES BACK-TO-BACK AT NATIONAL UNDER 17s

Western Australia was victorious at the National Under 17 Championships in Hobart, successfully defending the title it won in 2009-10.

After winning five of its seven matches, with one draw due to bad weather, WA topped the points table ahead of the ACT and Victoria.

WA skipper Will Bosisto was the leading batsman for the state in the runs scored list and was third overall, with 205 at an average of 41. Bosisto was a member of Western Australia's win in 2009-10 that broke a 31-year drought in the 17s, and was the leading run scorer in that team as well.

Dan Kennedy was second for WA with 175 runs at 58.33, and he scored one of only three centuries for this summer's carnival. Bosisto and Kennedy were selected in the Team of the Championships.

Jarred McRae and Haydan Morton led the wickets taken list for WA with ten each, and Jonty Wilde picked up nine.

WACA High Performance Coach Lindsay Flinn, who led the WA Under 17s to both championship wins and came within a whisker of guiding the WA Under 19s to the 2010-11 national title, praised the teamwork of his charges.

"They're an outstanding group of young guys and they have been so tight throughout the program," Flinn said.

"We were probably an outstanding team rather than claiming to have one or two superstars, and someone always seemed to do something when we needed them to do so."

WACA Cricket Operations Manager Andrew Scotford paid tribute to the efforts of all involved.

"The Under 17s is the first stage of our focused high performance pathway program and going back-to-back is a great result," Scotford said.

"There has been significant effort that has gone into the success and it is also a product of the partnerships with District cricket and the environment created by Lindsay Flinn.

"Lindsay and (Assistant Coach) Aaron Harwood are the cornerstones of this success. They've moulded and helped to develop these players from talented individuals into a great team that has performed exceptionally well."

WA's bid for a third title in succession will again take place in Hobart in December 2011.

MALE UNDER 19

Brisbane's inclement weather wreaked havoc on the National Under 19 Championships, with no results possible on the first two days of the carnival. WA's campaign was to begin with a Twenty20 double-header against Tasmania and the Northern Territory, but play was abandoned without a ball bowled in either contest. They came up against the ACT in the first of the 50-over one day matches and only 16 overs were bowled before the rain intervened and forced the third consecutive no result.

WA was defeated by host state Queensland in a match restricted to 27 overs per side. WA made 8/140 after being sent in to bat, with Retravision Warriors rookie Marcus Harris leading the way (42) and Fremantle's Ashton Turner making 26. The home side passed the victory target with 13 balls to spare and five wickets down. Quicks Joel Paris (2/27) from Claremont-Nedlands and Willetton's Simon Mackin (2/13) were the pick of the WA bowlers.

The two day matches began with WA meeting Victoria. WA wrapped up a comprehensive first innings win as in-form quicks Paris and Matt Dixon routed the Big V and forced a declaration on 9/58 in reply to 147. WA batted for the remainder of the second day, and Bayswater-Morley opener Stephen Smith played a lone hand as he patiently compiled 108 in 243 minutes and from 228 deliveries.

WA enjoyed a crushing double bonus point win over NSW. The two-day encounter was reduced to a 50-over contest after play on the first day was washed out. WA posted 9/174 after winning the toss and choosing to bat first before routing the junior Blues for just 71. Dixon was again the star, taking 5/23 from eight overs and terrorising the NSW top-order as he had done a couple of days earlier to the Victorians. Sam Whiteman played the Captain's knock to a tee in the WA innings, scoring 80 from 95 deliveries to help WA to reach a defendable total.

WA missed the chance to go clear at the top of the table after losing to Tasmania in a Twenty20 match, but kept their hopes of claiming the title alive by beating the Northern Territory in a one day match.

WA went into the final round of fixtures knowing a win against South Australia and a loss by Victoria to New South Wales would result in them claiming victory just one year after celebrating success at Under 17 level. Both results were looking likely until the heavens opened and forced all matches to be abandoned. At the time, WA was 0/6 in the second over in reply to SA's total of 184 and NSW had dismissed Victoria for 214. WA settled for second place.

Whiteman, Dixon, Harris, Smith and Paris were named in the Team of the Championships, reflecting the strong performance of the West Aussies at the carnival, while Dixon received the great honour of Player of the Tournament after taking nine wickets in four matches at an average of 13.33. Whiteman won the fielding award, and WA also took out the Spirit of Cricket honour.

MALE UNDER 17

WA made a perfect start to its title defence by winning their opening Twenty20 matches. They played the Northern Territory in their first encounter and restricted them to 7/111 after 20 overs.

WA passed the required total for the loss of five wickets with one over to spare. In the second Twenty20 match, WA batted first against South Australia and posted a score of 7/129. SA was bowled out for 85 in the 19th over, handing WA the win by 44 runs and earning themselves a bonus point.

WA maintained its unbeaten run as they defeated tournament hosts Tasmania by six wickets in a one day fixture. Tasmania were dismissed in the final over of their innings for 163 and WA cruised to victory in the 46th over with most batsmen called on making starts. Alistair Bivens hit 71 and Stephen Coniglio 33 as the target was reached for the loss of only four wickets.

WA was too strong for Queensland in their next encounter, winning by 45 runs to take their overall record for the carnival to 4-0. Skipper Will Bosisto led the way with 62 at the top of the order after winning the toss and choosing to bat as WA made 8/217 from their 50 overs. In reply, Queensland was dismissed for 172 in the 47th over. Bosisto completed an outstanding allround game with 3/26 from seven overs, and Jonty Wilde snared 3/30 from ten.

WA stayed in top spot after knocking off the previously undefeated ACT. Batting first, the ACT looked to be setting an imposing total when they moved to 3/203, but when Wilde ran out the Territory's skipper Tom Rogers for 22, WA's bowlers started to make inroads. They took the last seven wickets for just 33 runs to have the ACT bundled out for 236. Hayden Krieg picked up 4/44 and tore through the tail. WA lost wickets early in reply as Luke Behrendorff, brother of Retravision Warriors rookie Jason, took a hat-trick. Bosisto showed immense leadership however to weather the storm, opening the batting and making 72 from 264 deliveries. He was joined by Dan Kennedy, who made the side's first ton of the carnival with an unbeaten 111, and WA won with four wickets in hand

Despite losing to Victoria in their final match of the carnival, WA had done enough to successfully defend the title they had won in 2009-10. Their overall record stood at five wins from seven matches, with one draw due to bad weather.

As the Retravision Warriors began life under Head Coach Mickey Arthur, the changing of the guard continued as several youngsters got their opportunity to impress at interstate level.

For many of those players, a berth with the Warriors began with outstanding performances for the WA Futures League team.

Led by new Warriors Assistant Coach Lachlan Stevens, WA placed fourth in the three-day competition and fifth in the week-long T20 tournament, but a number of players displayed the promise of things to come throughout the summer.

In the opening three-day match against South Australia at Floreat Oval, opener Marcus Harris struck a patient 90 in the first innings and fellow batsman Tom Beaton notched up a quick fire 110 in the second dig. The runs continued for the pair, with both making half-centuries in the following game against the ACT and belting the NSW bowlers to all corners of Blacktown Olympic Park in the third match. Harris (119) and Beaton (109) shared in a 187-run stand for the second wicket in the first innings. Three months later the pair would be wearing the baggy gold, both making their first class debut for the Warriors against the Redbacks at the WACA Ground.

Paceman Matt Dixon ripped through the SA line-up at Floreat, claiming 5/32 in the second innings to lead WA to a thrilling victory. Dixon would be striding out on the MCG a couple of weeks later to play his first match for the Warriors - a Ryobi One-Day Cup fixture against eventual champions Victoria, and he struck in his opening over with the prized scalp of the prolific Brad Hodge.

Fans got a glimpse of WA's future in the final two matches against Tasmania in Hobart and the Queensland Academy of Sport in Brisbane. Left-arm quick Joel Paris took nine wickets on the way to earning a rookie contract with the Retravision Warriors for the 2010-11 season, while Australian Under 19 wicket-keeper Sam Whiteman scored a brilliant 94 against the Tigers and Bayswater-Morley batsman Phil Adams enjoyed a fine double of 66 and 89 against the QAS.

The creation of the Futures League tournaments aimed to increase opportunities for state rookies and emerging players, and the success of talented WA players should serve the Retravision Warriors well in the years ahead.

NATIONAL REPRESENTATION

Western Australia was represented on the National Panel by Ian Lock and Mick Martell. It was with regret that we lost Paul Wilson, who relocated to South Australia for family reasons. Ian and Mick both performed creditably in all forms of the game. Nathan Johnstone was also appointed to the Emerging Umpire Panel. We must now look seriously at the challenge of developing the next generation of umpires to take the step up and maintain our representation on the national stage.

DISTRICT CRICKET

The level of performance in First Grade District cricket was generally of a high standard as measured by Captains' reports, with an increase in marks from 7.2 (2009-10) to 7.8 (2010-11). This was also reflected in improved Captains' marks in Second Grade.

The introduction of post-match meetings was seen as a valuable tool for umpires and Captains to discuss match issues and may in part have led to the improved recognition of umpire performances.

Our lack of numbers became a serious issue around Christmas when we were required to provide umpires for the Australian Country Cricket Championships (7), Cricket Australia (CA) Under 17 and 19 carnivals, KFC Twenty20 Big Bash and women's one day internationals. These all coincided with rounds of the Retravision Shield. This highlighted a lack of depth and is seen as an area of focus for next season.

The District finals were umpired by Ian Lock, Mick Martell, Nathan Johnstone, Todd Rann, Matthew Hall, Dean Trigg, Tom Polich and Chris McCann.

TRAINING

Pre-season courses were held for experienced umpires focusing on the latest (2010) edition of the MCC Laws of Cricket. These evening meetings were well attended.

The CA Level Two Accreditation course for new umpires produced eight new umpires to senior WACA cricket and several others into the junior competitions.

The seminar weekend at the WACA was attended by 85 people. It provided an environment for field craft development and social interaction. Further training sessions were held throughout the season.

A pre-season Umpires Focus Forum was held at which all umpires were provided with the opportunity to comment on and provide suggestions for improving many aspects of umpiring within the WACA. Many innovative ideas were generated from the audience present.

UMPIRES APPOINTMENT BOARD

The Umpires Appointment Board again consisted of Terry Prue (Chairman), Graeme Bibby, Dean Chamberlain, Keith Rinaldi and WACA Umpire Coordinator Barry Rennie.

The Board met prior to the commencement of the season to set rankings for the four grades in the Retravision Shield and the Sunday League and Colts competitions, then after every two rounds to review rankings and appointments of the umpires. Other appointments were made to Futures League matches, the Women's National Cricket League, and the National Under 19 and Under 17 Championships.

WESTERN AUSTRALIAN CRICKET UMPIRES' ASSOCIATION (WACUA)

The WACUA plays a vital role and it is disappointing that there has been a continued decline in the number of members attending meetings. This is another aspect that must be strong if we are to maintain a vibrant umpiring fraternity.

The WACUA organised and ran a very successful Olly Cooley Medal presentation evening, held in the Melville Cricket Club function centre at Tompkins Park.

WACUA awards for the best performed umpire in each of the grades of the Retravision Shield competition, and the Peter McConnell Medal for a relatively inexperienced umpire who shows the potential to progress to higher levels, were presented as follows:

Peter McConnell Medal Best First Grade Umpire Best Second Grade Umpire Best Third Grade Umpire Best Fourth Grade Umpire Wayne Barron Todd Rann Roy Boyd Rex Evans Tynan Simojoki

At a time when cricket is facing more competition from other sports and leisure interests, the recent trend of increased participation in WA was reversed.

Participation across the state decreased by one percent, with significant reductions being experienced in junior community cricket, particularly in the 10-11 year old age group.

In2CRICKET Program participation also decreased slightly following a sharp rise in the 2009-10 season, which followed the 2009 Ashes series in the United Kingdom.

Research delivered by Cricket Australia at the Australian Cricket Conference in August 2010 indicated that cricket had dropped out of the top five sports young people felt passionate about, with swimming, AFL, soccer, tennis and dance surpassing cricket in those aged 5-9.

It is critical that we work together to make cricket more attractive than competing leisure interests. Whilst the WACA will continue to assist clubs recruiting to traditional formats of the game, increased time will be spent working with stakeholders to offer formats which suit those not playing cricket currently, such as a one-hour after-school format during the week.

Increased resources will also be invested in the in2CRICKET program to increase the likelihood that a young child's first experience of sport will be cricket.

There are areas of the sport that continue to increase, that being schools cricket and lifestyle formats. Numbers in the Warriors/ Fury Shields in primary schools across the state increased and the Taylor Woodings Corporate Cricket competition, held at Langley Park in the city, increased from eight to 32 teams.

Geographical areas where there was a high participation increase are as follows:

MILO in2CRICKET

MILO in2CRICKET is the national entry level strategy to drive participation in 5-15 year old boys and girls, inspiring them to become the next generation of participants and fans and making cricket Australia's favourite sport.

MILO in2CRICKET is delivered in a variety of formats, including the in2CRICKET Program at community junior cricket clubs, primary school promotional clinics and programs, school carnivals, Active After School Care programs, holiday programs and other entry level formats.

In the 2010-11 season, a total of 55,500 primary school aged children sampled in2CRICKET promotional clinics, 11,813 primary school aged children took part in the in2CRICKET Cup / Warrior and Fury Shields, and 4,570 children registered to the in2CRICKET Program.

SECONDARY SCHOOLS COMPETITIONS

WA SCHOOLS CRICKET COUNCIL

The Western Australian Cricket Association and the Western Australian Schools Cricket Council (WASCC) combine to provide opportunities for secondary school students across the state to participate in cricket. Whether it is action packed Super 8s, the latest craze of Twenty20, traditional limited overs competition or prestigious representative matches, the WASCC caters for students of all abilities and backgrounds.

The WASCC Members:

Mr Barry Kennedy (Chairman), Mr Peter Green (Deputy Chairman), Mr Kyle March (ACC), Mr Luke Watson (PSA), Mr Alby Nuich (SSWA Cricket Conveyor), Mr Scott Ogilvie (Schools Rep NW), Mr Sam Davis (Schools Rep NE), Mr Dave Tomlin / Mr Cory Hugo (Schools Rep SE), Mr Jason Reid (Regional SW), Mr Ryan Kenny (Schools Rep SW, Primary Schools Rep), Miss Jenny Wallace (WACA), Miss Lisa Crowther (WACA), Miss Caroline Brough (WACA).

The WASCC deserve thanks for the work they have done this year promoting and developing cricket throughout schools in WA, in particular Barry Kennedy in his role of Chairman.

KIM HUGHES SHIELD (ONE DAY)

The top tier competition in 2011 saw 15 schools (eight metro and seven SW regional) take part in a one day limited overs competition. As in 2010, Kent St SHS and John Forrest Secondary College were both undefeated going into the final. Kent St was victorious in a very tight contest at Floreat Oval and was crowned Kim Hughes Shield champions for 2011.

Kent St SHS 128 (J Carder 30; K Wiggers 2/17) d John Forrest SC 123 (R Haywood 35; J Dalton 3/21)

GRAEME WOOD SHIELD (T20)

A record 53 metro and regional schools took part in this year's second tier competition. After a round robin format the top schools progressed to the knockout stages. 16 teams were eventually whittled down to four, which took part in finals day at Britannia Reserve on 1 April.

CBC Fremantle dominated the day, beating Kent St SHS in the semi final and Belridge SHS in the final to take home the Graeme Wood Shield and be the top T20 school for 2011.

GEOFF MARSH / PETA VERCO SHIELDS (OPEN AGE BOYS / GIRLS SUPER 8s)

After two very competitive qualifying days at Yokine Reserve (North) and Harold Rossiter (South) the top boys and girls Super 8s teams battled it out in a round robin finals day for the Geoff Marsh and Peta Verco Shields. With one round to play in the boys' competition four teams were still in the hunt to take out the title. However in the end it was CBC Fremantle who edged out Warnbro SHS with a better percentage. In the girls' competition, Emmanuel Catholic College was a clear standout, beating all rivals to take home the Peta Verco Shield.

SUNSMART SUPER 8s (YEAR 8 & 9)

The SunSmart Super 8s carnival was again one of the highlights of the schools competitions. 63 teams took part, with two carnival days scheduled (north and south) in November. Retravision Warriors and Western Fury players were on hand to present the shields to the winning schools: CBC Fremantle (North Boys), Newman College (North Girls), Corpus Christi College (South Boys), Emmanuel CC (South Girls).

SCHOOLBOYS REPRESENTATIVE MATCH -ASSOCIATED CATHOLIC COLLEGES XI V COMBINED GOVERNMENT SCHOOLS XI

The annual Schoolboys Representative Match was again held at the WACA Ground, with some of the state's best young cricketers relishing the chance to play at the home of cricket in WA.

The match was dedicated to the memory of Perth player Stephen Rigg, who passed away this year playing the game he loved. His father Phil Rigg attended the match, giving a short speech and presenting the ACC XI with their caps. Retravision Warrior Phil Adams also attended and presented caps to the Government XI. An inspired ACC XI convincingly beat the Government XI.

Associated Catholic Colleges 183 (J Morgan 38, G Morgan 32; G Pradeeptha 4/53, C Wilson 2/22) d Government Schools XI 74 (J Inglis 26; G Spencer-Wright 3/7, H Morton 3/9).

NATIONAL CRICKET INSURANCE SCHEME

The WACA again facilitated the National Cricket Insurance Scheme in 2010-11. Clubs and Associations were able to register for insurance through the WACA and JLT Sport Insurance. Clubs are then able to download their Certificate of Currency through MyCricket by completing a simple Risk Management module.

TAYLOR WOODINGS CORPORATE CRICKET COMPETITION

This season the Taylor Woodings Corporate Cricket Competition grew dramatically from eight teams to 32. The competition was held at Langley Park, and the finals played under lights at the WACA Ground. Sentinel Stockbroking again took out the prize and gained the opportunity to play against the Barmy Army prior to the Vodafone Ashes Test. The WACA would like to thank Taylor Woodings for their support and we look forward to growing the competition even more in the future.

IMPARJA CUP:

With the help of Lord's Taverners, the WACA was able to send a team to Alice Springs to compete in the Imparja Cup. A 13-man squad departed for the tournament, which included six new players and three Under 17 state representatives. WA made it to the final, but unfortunately couldn't go back-to-back, losing to New South Wales.

INDIGENOUS TWENTY20 CARNIVAL

Four teams competed for the title at Gywnne Park in Armadale. This is the second season the competition has run and the WACA is looking to grow it into a Metropolitan and Regional tournament in the future.

COUNTRY WEEK

Senior Country Week 2011 took on a special meaning following the untimely passing of long-time servant to Indigenous and country cricket, Gerard "Warky" Ugle. This was the second year the WA Indigenous XI appeared in the A Section and players looked to honour the life of Warky in the best way possible. The team made it to the final but lost to Albany, who were too good on the day.

NORTH WEST

The WACA sent representatives to several destinations in the Kimberley and Pilbara to promote cricket within local schools. WACA Cricket Officers visited Broome, Derby, Karratha, Port Hedland and Kununurra with the objective to get as many school students involved in cricket as possible and sign them up to in2CRICKET centres and junior cricket clubs. The Cricket Officers ran school clinics and carnivals over the duration of their trips and received positive feedback from those who were involved.

INCLUSION CRICKET PROGRAMS

The Ardross Junior Cricket Club introduced the 'Cricket Champs' program for children with special needs. The primary focus was to get them involved in cricket. The 'Come-n-Try' day was a great success with 15 children signing up for the weekly program. Next season the program will expand over more clubs across the metro area.

FAIRBRIDGE VILLAGE / LORD'S TAVERNERS PARTNERSHIP

The WACA formed a three-way partnership with Fairbridge Village in Pinjarra and the Lord's Taverners (Peel and WA Branches) to deliver a celebrity match to raise money for Cricket Development Camps at Fairbridge.

The match was played on 2 April at Fairbridge on the pitch installed two years ago and an outfield developed over the same period. Over 500 people attended and guest players included Wes Robinson from the Retravision Warriors and Jess Moyes from the Western Fury.

A Sports Development Camp was held in March 2011 by Fairbridge staff, with the cricket aspect of the camp delivered by Tim Lees. The 24 participants comprised of members of the AvonWest Cricket Program in Northam and members of the Department of Child Protection programs.

FACILITIES

The WACA Facility Fund was administered this year with grants totalling \$25,000 paid out to clubs and Associations undertaking projects to either install or repair synthetic pitches. The projects consisted of centre and practice net pitches.

The WACA also assisted to rank applications under the Department of Sport and Recreation's Community Sport and Recreation Facility Fund (CSRFF).

COMMUNITY JUNIOR CRICKET COUNCIL

The Community Junior Cricket Council (CJCC) manages junior community cricket in Perth. It is run by its member bodies, that being the six Junior Associations in Perth.

The CJCC continued to pursue an increase in Coach Accreditation Levels in the lower age groups, thereby increasing the prospect of retaining more players in its competitions. Accreditation Levels have increased significantly in the past two seasons.

At the annual Junior Focus Evening held in December 2010, Joondalup-Kinross JCC was named 'Club of the Year', and the issue of the dropout of 10 and 11-year olds at the start of the 2010-11 season was workshopped. The common reasons given by the audience were a lack of advertising of the game in Perth, the need to increase the number of flexible formats suited to people's lifestyles and competition from other sports.

After an epic Retravision Shield First Grade final, which saw 15 wickets fall for 776 runs in 197 overs, Willetton fell an agonising 11 runs short of victory at the WACA Ground to give Subiaco-Floreat their first pennant since the 2002-03 season.

The minor premiers opted to bat first and made an imposing 6/393 from 112 overs, having utilised the 12 available overs on the second morning. Opener Alex Malcolm (128) and the ever-consistent Steven Glew (130) posted 222 for the third wicket.

Chris Hansberry contributed 41 to the cause and David Bandy made 35 to give him a season's tally of 1144 runs - 44 shy of Robin Smith's record-breaking season for South Perth in 1987-88.

It was hard work for the Dragons' bowling attack, with Brad Kent being the only multiple wicket taker (2/53). Kallen Bond, Stephen Ball, Simon Mackin and Brad Hogg finished with one wicket apiece.

Willetton decided to attack the run chase from the very first ball as Kallen Bond and Cameron Bancroft advanced the score to 0/72 from 18 overs at lunch. Bond's forceful display ended with the total on 128 when he was caught at gully on 95.

Bancroft (61) and Captain Kris Elliot (46) kept the scoring rate ticking along and the runs flowed even after their departure with middle order batsmen Hogg (44) and James Godfrey (41) reducing the target to a very achievable equation.

Needing 29 from the last two overs, the Dragons were restricted to 18 by Retravision Warriors duo Nathan Coulter-Nile and Jason Behrendorff, finishing on 9/383 at the close of play to force a draw. As the minor premiers, the Lions were declared champions for season 2010-11.

In Second Grade, South Perth finished a brilliant season at Iluka Reserve when the minor premiers dismissed Scarborough for 80, with Jacob Galen snaring 4/21. They replied with 4/203 when the match was brought to a close. Chris Padovan made 82 and skipper Ross Davenport scored 70.

In a tense Third Grade final at Stevens Reserve, Bayswater-Morley edged out Willetton by just nine runs. The Dragons were bowled out for 108 in reply to the Bears' first innings total of 117. Dayne Ferry had a match to remember for Baysie with the all-round figures of 29 and 5/60, while Nic Geisler took 5/60 for Willetton.

Bayswater-Morley were also premiers in Fourth Grade following a commanding win over Perth at Stevens. Adam Bennetts led the way with 86 and skipper Peter Marriott added 58 as the Bears declared their innings closed at 9/325 before dismissing the Demons for 203. Craig Knight top-scored with 53 and Captain Alan Tyler made 49, whilst Mark Henderson nabbed 5/75 for the Bears.

Subiaco-Floreat was also successful in the One Day League final, where they beat Bayswater-Morley by 124 runs in a day/night fixture at the WACA Ground. Batting first, the Lions made 9/257 with Man of the Match Alex Malcolm scoring 86 and David Bandy notching up 59. In reply, the Bears were dismissed for 133. Matthew Birrell top-scored with 49 but Nathan Coulter-Nile tore through the batting line-up to claim 4/34.

Melville was victorious in the KMPG Statewide Twenty20 final at the WACA Ground after a commanding eight wicket victory over Perth. The Demons posted 9/115, with Dean Nelson leading the way (25) and Melville well-served by Steven Russell (2/16) and Drew Porter (2/19). Melville had little difficulty in reaching the target due to the efforts of Luke Towers (61 not out) and Porter (42 not out), securing the win with four overs to spare.

Fremantle continued their dominance of the WACA Under 18 Twenty20 competition with a three wicket victory over Perth at Fletcher Park. Batting first, the Demons made 108 from 19.2 overs before the port club replied with 7/109 from 18.2 overs.

Midland-Guildford took out the WACA Colts title with victory over Bayswater-Morley in the final at Breckler Park. The Bears chalked up 141 batting first, with Luke Waterhouse top-scoring (39) and Daniel Susana taking 4/21 from 8.2 overs. The Swans replied with 8/142, claiming the win with nine deliveries in hand. Stanley Harrison's innings of 58 helped take his side over the line despite Man of the Match Robert French's excellent figures of 6/33 from 8.3 overs.

The northern clubs led the way in all four junior competitions as Joondalup defeated Mount Lawley in the Under 17 final at James Oval and Wanneroo beat Fremantle in the Under 15 decider at Abbett Park. In the McKenzie Shield final at Stevens, Claremont-Nedlands prevailed over Mount Lawley, while the Inverarity Shield went to Wanneroo after their win against Fremantle at Abbett Park.

Subiaco-Floreat all-rounder David Bandy and Willetton counterpart Matthew Johnston were tied at the top of the leader board at the end of the 2010-11 Olly Cooley Medal count and were duly declared joint winners with 17 votes each. Bandy struck 1056 runs at 105.60 in the home and away season as well as capturing 18 wickets, whilst Johnston scored 485 runs before the finals and captured 32 scalps for the Dragons. Rockingham-Mandurah's Craig Simmons finished in third place, one vote further back. Bandy and Johnston are now part of a group of five players to have won multiple Olly Cooley Medals, joining Wayne Andrews, Mark Atkinson and Kade Harvey.

Wanneroo's main wicket at Kingsway Reserve won the Roy Abbott Best Pitch Award with an average rating of 8.65 out of 10. Ten of the 32 club grounds received a rating in excess of eight points. Perth's second wicket at Fletcher Park was judged to be the Most Improved Pitch for the season.

South Perth won their first Club Championship since 2005-06 after taking out the Second Grade competition, while their First, Third and Fourth Grade sides all reached the semi-finals.

Willetton received the Lord's Taverners Spirit of Cricket Award for their player conduct over the four senior grades. The award was presented by John Moody from Lord's Taverners WA to the Dragons at the Pennant Dinner. The WA District Cricket Council (Inc.) extends their thanks to Lord's Taverners WA for their continued sponsorship of this award.

Western Australian cricket at all levels received excellent support once again from the media during season 2010-11. Colin Minson and his knowledgeable team at Sport FM gave the public a chance to follow the fortunes of the 16 clubs each Saturday on 91.3 as well as via the internet. Colin Minson, Corbin Middlemas, Jack Crawshaw, David Moon and the many guests the team had on their broadcast provided news, updates and interviews from around the grounds, which makes this an invaluable service for the cricket community.

The print media are also highly valued, with the Sunday Times, through District cricket reporters Corbin Middlemas and Sam Pepe, providing weekly reports and the publication of First Grade scoreboards. The West Australian regularly published scoreboards, fixtures and First Grade teams in their newspaper, as well as online content via thewest.com.au.

The grade clubs would also like to acknowledge the support of the Community Newspaper Group for the regular provision of space in their publications to promote local cricket and club activities. The WACA is also very grateful for the support from major sponsors of grade cricket - Retravision, Kookaburra, Lion Nathan, Kalgoorlie Metro Property Group, Lord's Taverners WA and the Sullivan Family.

The WACA pays gratitude to the efforts of those volunteers who have served on WADCCI committees, led by Chairman Ranjith Weddikkara and the Management Committee.

Finally, all clubs, Presidents, Secretaries and committees are to be thanked for their efforts this season, as well as the many volunteers whose countless hours of dedication ensures that both their club and the game run smoothly at this level.

OLLY COOLEY MEDAL

Subiaco-Floreat all-rounder David Bandy and Willetton counterpart Matt Johnston shared the spoils by winning the 2010-11 Olly Cooley Medal for the fairest and best players in the WACA First Grade competition, as voted by the umpires.

Both received the maximum of three votes in the final round of the season to leapfrog Rockingham-Mandurah's Craig Simmons (16 votes) and win the coveted medal with 17 votes each.

Fremantle's Mitchell Marsh enjoyed his limited appearances with the port club, polling 14 votes to place fourth, while Shane Rakich (Mount Lawley) and Anthony Caddy (Gosnells) were tied for fifth with 12 votes.

It is the second time Bandy and Johnston have won the WACA District competition's highest individual honour, and remarkably their previous medals were also shared.

Bandy tied with Claremont-Nedlands' James Allenby in 2003-04, while Johnston shared with Mount Lawley's Paul Davis in 2009-10.

Only three other cricketers have won the medal on more than one occasion - Wayne Andrews (three times), Mark Atkinson (twice) and Kade Harvey (twice).

One prize that the talented pair couldn't share was the Retravision Shield premiership. Five days after the Olly Cooley Medal presentation, which was held at Melville's Tompkins Park on Monday 21 March, Bandy's Lions and Johnston's Dragons met at the WACA Ground in the First Grade final.

WACA WOMEN'S CRICKET COMPETITION

The women's competition was divided into separate T20 and one day formats. In the one day competition, the Grand Finalists were only decided at the very last stage of both grades. In A Grade, Melville (24) and South Perth (22) went through to the decider, with Subiaco Marist (20) only two points shy in third. In B Grade, the top two was decided by average. Melville (2.80) and Whitfords (2.22) edged out South Perth (2.00) to make it to finals day at Melville's Tompkins Park. South Perth won the A Grade flag as they chased down Melville's 139 with seven wickets in hand and a little more than six overs to spare. The B Grade final was a bit closer as Whitfords posted a modest 79 and Melville lost eight wickets before reaching 60, but a strong ninth wicket partnership saw them over the line to take home the premiership.

In the T20 comp, Melville and South Perth played in the A and B Grade finals at Lilac Hill. Melville won the A Grade title, defending their total of 87 by restricting South Perth to 9/57 after their allotted overs. In the B Grade final, South Perth was victorious as they posted a respectable 6/132 and then survived a scare as Melville almost chased down the total but fell four runs short after their 20 overs were bowled

WACA JUNIOR GIRLS COMPETITION

Four teams participated in both the Under 15 and Under 17 competitions. A good mix of school and club teams played their heart out in term four 2010 and term one 2011, which led to the finals in March. South West, a combination of Melville and Rockingham-Mandurah, beat South Perth in the Under 15 final, while Subiaco Marist took the honours in the Under 17 competition by also defeating South Perth. Perth College and Santa Maria played in both divisions as school teams.

COMMONWEALTH BANK SOUTHERN STARS v ENGLAND

The WACA welcomed the Commonwealth Bank Southern Stars for a three-match ODI series against England as part of the Women's Ashes Tour. The Western Fury also played two warm-up games against the tourists at Floreat Oval. The Southern Stars won the series 2-1. In between games, the Aussie women also had some very exciting sessions with MILO in2CRICKET girls.

80 NOT OUT

The 2010-11 season marked the 80th anniversary of women's cricket in WA. In a historic function at the WACA Ground, organised during the ODI series between Australia and England, a wide variety of current and past players got together for an evening of celebration. To top off this great occasion, an 'across the generations' photo was taken on the outfield of the playing arena.

FEMALE PREMIER LEAGUE & JUNIOR GIRLS STATE CRICKET CARNIVAL

There were two major events on the calendar for the junior girls this season. Stevens Reserve hosted the Female Premier League three-day carnival in October 2010, which saw the state's best compete against each other, while the Junior Girls State Cricket Carnival was held at Kent St SHS in March 2011. Teams consisted of country and city girls in both carnivals. It was very encouraging to see all country regions send a team to the State Cricket Carnival and compete against each other.

CHARITY SHIELD / PINK STUMP DAY

The annual Charity Shield event was held in February 2011. About 90 women and girls played in this social Super 8s competition held at Melville's Tompkins Park. Thanks to all A and B Grade participants for a very successful and fun day. Over \$1,000 was raised for the McGrath Foundation.

FEMALE HIGH PERFORMANCE TOURNAMENTS

CRICKET AUSTRALIA WOMEN'S CUP

Western Fury spinner Jess Moyes led a 13-strong CA Women's Cup squad to her home town of Canberra for the 2010-11 edition of the tournament. The annual interstate women's second XI competition featured a series of matches in round robin format played between all teams throughout the week, concluding with finals on the last day.

The WA selectors went with a young side with a view to the future of women's cricket in the state. Four players were selected out of the WA Under 18 squad while two were plucked directly from Club cricket. They were then joined by seven Fury squad members.

WA were beaten in all six matches and finished a disappointing seventh after failing to register a point. Promising Fury spinner Mel Holmes demonstrated her handiness with the willow by leading the WA batters, which included a top score of 30. Commonwealth Bank Shooting Stars pace bowler Gemma Triscari took five wickets to be the best of the WA bowlers. It was just over a year after Triscari had broken her finger at the 2009-10 CAW Cup tournament.

FEMALE UNDER 18

WA placed sixth at the National Under 18 Female Championships in Adelaide, finishing with a record of two wins and four losses from their six matches.

After losing to Victoria in their opening 50 over match, and then being narrowly beaten by Queensland in round two, WA found form in its first Twenty20 fixture to defeat Tasmania by eight wickets.

WA split their T20 double-header on day four, losing to South Australia in the morning fixture but rebounding to defeat the ACT, before dropping their next encounter against the powerful New South Wales combination and suffering another loss to Queensland.

There was good news when Albany product Beth Wimbush was named in the Team of the Championships. She was the equal fourth-highest wicket taker at the carnival with ten at an average of 11.20. Her best haul of 3/9 came against South Australia.

Subiaco Marist all-rounder Bhavi Devchand was WA's leading run scorer for the tournament and also snared six wickets. South Perth's Piepa Cleary claimed eight scalps while scoring 52 runs.

FEMALE UNDER 15

WA was represented at the National Under 15 Championships for the very first time and placed a highly creditable fifth on the points table after finishing with three wins and three losses.

The tournament was held at Blacktown Olympic Park in the Greater Western Sydney Region and was affected by wet and wild weather conditions. WA opened with losses to Victoria and eventual champions Queensland, before rebounding to defeat home side New South Wales.

Skipper Beth Wimbush took 3/11 as NSW struggled to 9/93 from their 20 overs. WA reached the victory target of 94 with just two balls and three wickets to spare. Opener Evie Gooch top scored with 27 while Heather Graham made 23.

The victory against the Blues started a three game winning streak as WA also beat Tasmania and then the ACT. Unfortunately the girls couldn't make it four on the trot as South Australia was too strong in the final match of the tournament.

Vice Captain Graham finished ninth in total runs scored for the championships to be WA's leading batter, while Melville's Gooch placed 13th.

Graham and Wimbush each took eight wickets for the tournament to be equal fourth on the overall tally, while the latter had the honour of being named in the Team of the Championships at both Under 15 and Under 18 level.

The result capped off a wonderful individual tournament for Graham and Wimbush, as well as a very successful debut on the national stage for Western Australia in the Under 15s.

The value of sport and recreation

Sport and recreation provides the catalyst for community gatherings, from small functions to major events, where people play, talk and share experiences. Importantly it has a positive effect that reaches many levels of our society in short, sport and recreation creates social capital. This is important because "places with high levels of social capital are safer, better governed and more prosperous, compared to those places with low levels of social capital". - Robert Putnam

Prevention is better than cure

The more people who are physically active and involved in sport and recreation the less patients there will be. Increased participation in physical activity will reduce pressure on our hospitals.

- In 2005 the total economic cost of obesity to the WA economy was \$2.1 billion.
- An estimated \$1.5 billion per year in direct health care costs is attributable to physical inactivity.
- Lack of physical activity is second only to tobacco as the leading contributor to the overall burden of disease among Australians.
- Social participation and social support has been shown to increase participation in physical activity.

The power to unite

"Sport has the power to unite people in a way little else can. Sport can create hope. Breaks down racial barriers ... laughs in the face of discrimination and speaks to people in a language they can understand."

Crime prevention

Sport and recreation can help to divert young people from crime and anti-social behaviours. It can also target those young people most at risk of committing crime and help their rehabilitation and development.

春

Economic benefits

- Every dollar invested by the state government in the Community Sporting and Recreation Facilities Fund (CSRFF) generates \$2.36 in direct economic activity and \$6.51 in total economic activity.
- Sport in Australia generated a net income of \$8.8 billion in 2004/2005.
- Big sporting events generate big money. The Australian Surf Life Saving Championships attracted 6000 competitors to Perth injecting \$23 million into the WA economy (Tourism WA, 2008).

Children engaged in sport and recreation do better academically, are more likely to enjoy school and even complete their homework.

Health benefits

Participation in sport and recreation provides clear benefits in the five Australian national health priorities:

- Promoting better mental health.
- Cardiovascular disease prevention.
- Diabetes prevention and control.
- Primary prevention of some cancers.
- Injury prevention.

Sport and recration builds stronger, healthier, happier and safer communities.

We're an active part of your regional team.

As part of our continued sponsorship of regional cricket, the CSBP Regional Junior Cricket Program is helping develop the skills of country youngsters. Along with our sponsorships of local sports clubs, school events, town infrastructure and farmer improvement groups, it's one of the active and inspirational ways that we work to support and grow our important regional communities.

Western Australia won the 2011 Australian Country Cricket Championships (ACCC) on home turf in remarkable circumstances.

Needing two runs off the last ball to win outright in their final match against South Australia and subsequently take out the ACCC, Ross Knoll hit the delivery for six to give WA its first title in eight years.

Undefeated throughout the two-week tournament held in Bunbury and surrounding towns, WA went into the game against the Croweaters in first place with 18 points, two clear of its nearest rival.

After defeating SA on the first innings, news filtered through to Dalyellup College that the ACT had won its final match outright. They gained ten vital points for comprehensively defeating East Asia Pacific to leapfrog the competition and finish on 25 points.

With six points for a regulation win, WA skipper Rod Ford immediately declared his side's innings after chasing down South Australia's score of 8/250 declared.

SA then made it to 6/169 in their second dig before opting to set WA a task of scoring 170 in 19 overs to be crowned Australian Country Cricket Champions for the first time since 2003, and just the third time in tournament history.

Knoll was unbeaten on 28 from 21 balls as WA won outright and finished on 28 points for the carnival, three ahead of the ACT.

Rockingham-Mandurah wicket-keeper Sam Whiteman topped WA's run scorer list with 225 at 37.50, with Jamie Lee second (217 runs) and Glen Dehring third.

Dehring's 209 runs for the carnival makes him the fourth highest run scorer in ACCC history, and he has now played the fourth most ACCC matches of anyone in the country.

Ryan Redfern took the most wickets for WA with 11 at an average of 24.36, while promising Albany all-rounder Julian Crudelli picked up ten scalps at 20.20.

WA has the opportunity to defend its crown and push for a fourth ACCC at the 2012 carnival in Geelong, Victoria.

COUNTRY CRICKET & CRICKETWEST

The highlight for season 2010-11 was undoubtedly the exciting win by the WA Country XI, led by Rodney Ford from Williams, in the Australian Country Cricket Championships held in January 2011 in the Bunbury region.

Glen Dehring came out of retire-

ment to play in the ACCC and performed extremely well to not only win the inaugural Waldron Medal (tied with Sam Whiteman) as WA's best player, but to also become the only player to have played in all three winning WA teams after skippering the first two victorious outfits.

Rookie coach Brendon King also claimed special status as the only other person to be involved in all three winning sides. He played in the 1998 and 2003 triumphs.

The Championships were a great boost to the Bunbury region with fixtures also being hosted in Harvey, Collie, Donnybrook, Capel and Dalyellup. The Organising Committee, led by Peter Grygorcewicz, received the highest praise for its work in staging the ACCC, with Cricket Australia stating that these were the best Championships in the history of the event.

Regional WA was again given the opportunity to host a Ryobi One-Day Cup match in February 2011. The Retravision Warriors gained their second win from three matches played at Bunbury's Hands Oval by comfortably defeating reigning champions Tasmania. The match was well supported at the local level and it is the wish of the CCB to see more fixtures played in regional centres.

The Country Cup Final, played at Richardson Park in March, was notable for the inclusion of a Pilbara team (Port Hedland) for the first time and also for an extraordinarily close finish. Upper Great Southern, Eastern Goldfields and Bunbury all won three of their four matches. The eventual winner, Upper Great Southern, was determined on net run rate.

Senior Country Week saw Albany emerge as the dominant team this season, winning both the A and B Section titles in convincing fashion. In 100 years of Country Week cricket this double has never been achieved and congratulations go to Albany.

The Indigenous XI has improved its performances in recent years and the team played off in the A Section final for the first time. No doubt they will be hoping to go one better next year.

The Junior Girls State Cricket Championships (previously the Girls Country Cricket Carnival) was played in March 2011 with four regional teams competing against the metropolitan teams. The South West and Goldfields performed particularly well, finishing second and third

With six country girls selected in the State Under 18 and Under 15 teams this season, the female development program being conducted by CSBP Regional Cricket Officers is having a positive impact in several regional centres. I also acknowledge the outstanding leadership that the WACA's Female Cricket Coordinator Jenny Wallace has displayed in regard to female cricket.

The MLC Scholarships were awarded to talented young players for the fifth successive year, with presentations being made on the WACA Ground prior to the commencement of play on day three of the Vodafone Ashes Test Match. The successful recipients were:

- Jamal Bin Sulaiman from Broome (Charlie Sandstone Memorial Scholarship)
- Jacob Evans from Busselton (Geoff Marsh Scholarship)
- Beth Wimbush from Albany (Wendy Chaloner Scholarship)

The excellent work that is continued to be carried out by CSBP Regional Cricket Officers, supported by their respective Regional Boards, ensures that country cricket will prosper in the years ahead. The quality of the CSBP Regional Cricket programs continue to improve with MILO in2CRICKET, school clinics, regional carnivals and High Performance camps enhancing the opportunities for young country cricketers.

We thank our sponsors - CSBP, Lord's Taverners, the WA Cricketers Club, Perdaman Industries, Lion Nathan, MLC and DSR - for their support of cricket in country WA.

Country cricket also continues to be well serviced by the WACA. Staff associated with country programs and competitions offer ongoing guidance and support. In particular I thank David Clear, Steve Philippe, Andrew Scotford, Lisa Crowther and Caroline Brough for their outstanding work in administering country cricket.

BILL REYNOLDS - WACA HONORARY LIFE MEMBER 2010

At the WACA's Annual General Meeting in September 2010, Bill Reynolds was made an Honorary Life Member of the WACA. For over 60 years, Bill has been involved in cricket in both regional WA and at the WACA. Bill has been a player, coach, administrator, umpire, volunteer tour quide at the WACA and a noted cricket historian.

The book "100 NOT OUT" was written by Bill as a major contribution to the Centenary celebrations of Senior Country Week in 2007. His extraordinary research over several decades has left a remarkable historical legacy of the names and playing records of nearly 20,000 players and 243 teams who have participated in SCW.

Bill was the inspiration behind the Centenary celebrations of SCW in 2007 when nearly 800 people attended a special dinner to mark the occasion. Through very conscientious research and a sustained passion, Bill has established records of WACA and Country cricket that are a 'gift' to future generations of cricket historians.

COUNTRY COLTS

The Country Colts started their season with a camp at Lilac Hill in late September, which 13 players attended. Their campaign began in the WACA Colts competition with a match against Melville. Newcomer Ryan Dixon provided the only resistance with the bat, scoring 25 as the Colts were rolled for 99. Unfortunately due to the competition being a knockout format, they did not progress further than the first game.

The first practice match against Mount Lawley saw Tim Hutchison score an impressive 104 not out in a win for the Colts. The last game was a fixture against the visiting NSW Emus at Donnybrook's Egan Park in April. The opportunity to play an interstate side gave the players some good match practice. Corey Fitt bowled well, taking 4/22 off ten. The CCB thanks John Moore and David Natt for all of their efforts over the past year in their roles as Coach and Manager respectively.

The Lord's Taverners WA

OFFICE BEARERS 2010-2011

President: John Moody AM Chairman: Mike Snell Secretary: Lorraine Day

OBJECTIVES OF ASSOCIATION

The basic objective of Lord's Taverners is to encourage and promote the playing and enjoyment of cricket by young people but in particular those disadvantaged physically or mentally, socially, financially or by distance or other circumstances.

Lord's Taverners continue its close association with the WACA, particularly in the development of junior cricket in this state, and especially with youngsters in the remote regions.

Chairman Reported to 2010 AGM on a Year of Significant Achievement

In his Report to the 2010 Annual General Meeting, Chairman Mike Snell highlighted some of the activities and achievements of the previous 12 months. In particular he was able to point to a healthy financial position at year-end with accumulated funds totaling \$71,005 after funding projects amounting to \$62,700.

The Chairman also reported on a wide range of sponsorship involvement during the year which included, among others, WACA Coaching Clinics for underprivileged lads, Indigenous Program with South West Cricket Association, and 'Spirit of Cricket' awards for both WACA District cricket and the Country Week competition.

Lord's Taverners WA also part-sponsored the WA team that competes annually for the Imparja Cup at the national carnival in Alice Springs. Other Lord's Taverners support this year included the sponsoring of a Metropolitan Indigenous Twenty20 tournament, provision of funds for a new bowling machine in Broome, and continuing support of the restored Fairbridge Farm Cricket Ground.

WA VINTAGE CRICKETER 2011

Lord's Taverners WA honoured Coralie Towers as its Vintage Cricketer for 2011. This Award is made each year to a person identified as having made an outstanding contribution to Western Australian cricket on the playing field and/or in cricket administration.

Coralie was the youngest ever player selected for her state at just 13 years of age. She represented WA from 1954 to 1966 and Queensland in 1960-61, along with the Australian team from 1956 to 1963. Coralie is a former state coach and Selection Chairperson, and served for many years on the WACA Female Cricket Council. She was also made a Life Member of the WACA in 2008.

JUNIOR TAVERNER AWARDS FOR 2011

Since the first of the prestigious Junior Taverner Awards were presented in 1987 most of the recipients have gone on to achieve measurable success at District, interstate and international level.

The 2011 Awardees were Joel Paris and Ashleigh Endersbee.

Joel Paris attended Scotch College where he represented the school in Darlot Cup as an all-rounder. Due to injury he missed selection in the State U17s, but he was selected for the State U19s in 2010-11. He performed very well, making the Team of the Championships. He was selected for the Under 18 talent camp at the Centre of Excellence and from there was chosen for the Australian Under 19 squad in a tournament against the West Indies in Dubai, where he was a solid performer.

Ash Endersbee had an extraordinary year. The 16-year old played her first season in the WACA women's competition for Subiaco Marist. Before that she was a regular at Warwick Greenwood Junior Cricket Club, where she played with boys of her own age. Her excellent attitude on and off the field and club performances were noticed by the state coaches too, as she represented Western Australia in both the Under 18 female and CAW Cup teams, before Western Fury selectors gave her an opportunity to showcase her talent against the current world champions England when they visited Perth in preparation for their Ashes tour.

TEST MATCH BREAKFAST - PERTH 2010

Breakfast was back again at the WACA Ground, in a giant marquee, where 629 Taverners and their guests spent an enjoyable 90 minutes of cricket-related entertainment and fellowship. Key presenters were Sir Tim Rice, Gladstone Small and our own 'Mr Cricket' Mike Hussey.

Sir Tim Rice, knighted by HRH Queen Elizabeth II in 1994, is best known for his talent as a lyricist, and his long-standing partnership with Andrew Lloyd Webber. Less well known is Sir Tim's passion for cricket. Tim has been a long-standing member of Lord's Taverners UK, a member of the MCC since 1969, MCC President in 2002-03, and has written a book on the contents of the museum at Lords.

Gladstone Small had his moment of glory in helping England retain the Ashes in 1986-87 when he stunned the Boxing Day crowd at the MCG, taking 5/48 and being named Man of the Match.

Mike Hussey assured us that Australia could be counted on to perform well in the third Vodafone Ashes Test on the WACA Ground's renowned fast track.

Urn It! Another Ashes victory at the famous WACA Ground

"Brilliant cricket museum"

Andrew, Harry and Tom from Ilkley, West Yorkshire, England
"Great time. 5 good days to come"

lan from Gloucester, England

"Awesome! Guided tour of a lifetime!"

Tim from Eastcote, England

"A credit to the West - beautiful museum, great tour" Thomas from Coventry, England

As it turned out, Ian from Gloucester was a bit optimistic as the Vodafone Ashes Test match finished early on the fourth day, but his visit to the famous WACA Ground was one to remember. Once again the WACA Museum and guided Ground Tours proved popular during the season, especially among our friends from England. The 2010-2011 season celebrated the 40th Anniversary of Test cricket at the WACA and the Museum urged both sides to Urn It! during the Test match, with special merchandise created. Over a 14-day period in December, 1500 cricket fans visited the WACA Museum and strolled around the Ground on a guided tour to enjoy the unique atmosphere and experience that is the Ashes.

A SIGNIFICANT AND VALUABLE COLLECTION

The WACA Museum collection is recognised as one of the most significant and valuable collections on display throughout Australia. A Significance Assessment completed in 2006 identified that the collection had historic, aesthetic and social or spiritual value, and a large proportion of the collection is provenanced either to the Western Australian Cricket Association or individual cricket identities with strong links to Western Australia.

The collection focuses on the history, development and activities of the Western Australian Cricket Association, one of the most successful cricketing and sporting organisations in Australia. The collection is strongly related to the historic and social development of the Association and its Ground, and associated sporting activities.

In October 2010 this significant collection was assessed further by Mr Rick Milne, Licensed Valuer, and Official Valuer for the AFL, with extensive experience valuing similar collections such as the Bradman Museum in Bowral. Mr Milne worked through the collection and also the memorabilia on display through the ground, independently assessing the value of the collection. A Valuation Certificate was completed and lodged with the Department of Environment Water, Heritage and the Arts.

While this valuation will need to be reviewed as the collection grows, the result of this valuation confirmed the significance of the collection and its importance to the Western Australian Cricket Association, and our thanks go to Mr Rick Milne for his work.

VOLUNTEERS' FUNCTION

On 16 February 2011 the Museum volunteers held a function in the President's Room. WACA CEO Graeme Wood attended and in welcoming the volunteers congratulated them on their wonderful contribution to the WACA and the Museum. The

traditional volunteers' birthday cake was shared around and it was a great opportunity for everyone to come together as one. The Retravision Warriors also helped make the day a great success by defeating South Australia in an exciting Ryobi One-Day Cup match. I would like to take this opportunity to thank all the volunteers for their loyalty and support.

PJ (PETER) LOADER

Former Surrey, England and WA player, Peter Loader passed away in March 2011. He was part of the most successful period in the history of the Surrey County Cricket Club. The team won seven consecutive county championships from 1952 to 1958. Their bowling attack centred on Bedser, Loader, Laker and Lock - all Test players at various times. The quarter's

total of Tests was 159, although Loader only played in 13 of them and the four never appeared together in a Test.

Loader was born in Wallington, Surrey, in 1929 and showed an interest in cricket at the local Grammar School where he felt the urge to bowl fast. He graduated to the Beddington Club when only 15 as a right arm fast bowler and later attracted the interest of the county. In 1951 he made his debut for Surrey when players were absent but so impressed he was offered a position on the staff. Suffering from asthma in his youth he was classed as unfit for National Service but by the time he was 21 the condition had disappeared.

Loader made a modest start in his first year but steady improvement saw him play 15 matches in 1953. In a three-match burst in July, he took 34 wickets at 7.97 which included a best of 9/17. He was selected to go to India with the Commonwealth team, a tour that helped to build up his slight physique. Next season, he captured 109 wickets which included a 7/37 against the Gentleman's XI at Lord's. That effort gained him Test selection and he was voted the best young player of the year by the Cricket Writers' Club.

Competition for bowling places in the England side was strong with Bedser, Trueman, Statham and Tyson around at the time but he managed to tour Australia and New Zealand twice, in 1954-55 and 1958-59; and South Africa in 1956-57. He missed a Pakistan tour in 1955 when he cracked a bone in his leg. Loader will best be remembered for being the first England bowler to take a Test hat trick after World War II. He did this while claiming 6/36 against the West Indies at Headingley in 1957.

It was during his two tours of Australia that he realised what opportunities were available for his family and in late 1963 he migrated to Perth. Loader played for the Perth club for a few matches and was called upon to line up for WA in Brisbane. After this solitary match he retired as a player and concentrated on setting up in business.

Loader was co-opted as a commentator on the ABC in Perth. That, unfortunately, terminated with the introduction of World Series Cricket. Being a traditionalist, he resisted the temptation to join the Packer-led team. His time with ABC television also included a brief ground breaking period when that network conducted live telecasts of selected grade cricket matches in Perth.

Beyond his involvement in the media, Loader turned to his other love - golf. He was President of the WA Golf Association for four years. However his great passion for cricket never waned. When he retired from playing he was asked to umpire junior cricket and Darlot Cup matches. He thoroughly enjoyed it and said: "I should have taken this up years ago". He progressed to WACA District cricket in 1996 and used his knowledge of the game to advantage. After 11 seasons he stood down, firstly due to indifferent health, and secondly due to his objection to the ICC ruling on bowlers with doubtful actions. He continued to assist the umpiring fraternity by joining the Umpires Appointment Board.

Peter was a fine speaker and amused many with his cricket stories. Aged 82 he is survived by his wife Jo, two sons and a daughter.

TJ (TERRY) JENNER

The death occurred in May 2011 of Terry Jenner, the former Western Australian, South Australian and Australian leg spin bowler and, more recently, highly-respected spin bowling coach. He was born in Mount Lawley and educated locally after his parents spent some time in the country.

Graduating from junior ranks into First Grade as a 17-year old, he joined fellow teenaged slow bowler, off-spinner Ashley Mallett. Their careers followed similar paths and they bowled in tandem for several years at Club and occasionally at state level.

Tony Lock came to WA initially for the 1962-63 season and during his extended time with the state team he tutored many promising spinners, among them Terry Jenner. Wickets taken by Jenner in his first season for WA were expensive, but his potential was obvious. However he had to compete with a number of other spinners such as MacGill, Mann and Lock himself. Stifled by lack of opportunities he sought fresh fields in South Australia, along with Mallett.

It was there under the sympathetic captaincy of Les Favell and lan Chappell that Jenner prospered. In 1970-71 he graduated to Test cricket but, when batting, suffered a horrific blow to the head courtesy of a short, lifting delivery from English speedster John Snow. Although he could not cement a permanent place in the Test team he continued to be a match winner for South Australia. In 1977-78 he retired from first class cricket at the time of World Series Cricket. When the time of unrest in cricket relations between Packer and the establishment subsided, Jenner's

skills were sought as a leg spin bowling coach at club and state level. The introduction of the Australian Cricket Academy, initially located in Adelaide, meant he was also able to tutor a number of promising spinners, the most prominent of them being Shane Warne, whom Jenner mentored for most of his playing days.

Tragedy struck him in his later days in the form of a gambling addiction followed by ill health, but he continued in a coaching role and was used as a special comments man on radio for Test cricket. His knowledge of the game was put to good use. Jenner played nine Tests for Australia, scored 208 runs at an average of 23.11, took 24 wickets at 31.20, and held five catches. For South Australia, he played 77 times in ten seasons and was part of three successful Sheffield Shield sides.

For Mount Lawley he played six seasons, appeared in 61 matches, scored 1873 runs with one century, and averaged 27.54. His 164 wickets were taken at 20.36, and he held 36 catches. In 1966-67 he captained the Club into the semi-finals. For Western Australia he played 25 matches, scored 760 runs at an average of 21.71 and captured 35 wickets at 60.71, as well as holding 11 catches.
