Unless otherwise specified in relevant playing conditions, players must wear predominantly white cricket clothing. Caps & Helmets must either be of the club colours or white only (unless otherwise agreed by captains if no other helmet is available). Spiked footwear must be worn at all times while on the field. For all Female Premier Cricket Competition matches, playing attire must be coloured playing kit. The colours must be the approved colours of that Club, in a uniform design approved by WA Cricket. A non-overseas player who makes his first grade debut at a club shall attract 1 point when playing for that club.

If a non-overseas player that makes his first grade debut at a particular WADCC club (or an interstate Premier Club in Australia) moves to another WADCC club, they shall attract 1 point only when playing for the other club provided they have not played more than 5 games in a First Grade competition with any Premier Club in Australia at the time they moved.

The table in General Rules clause 9.1.5 sets out criteria for the status of all players moving to other clubs or playing for a particular club and the relevant point values they may attract. When a player's Points Value at a club is 3 or more, the value shall reduce by one point for each consecutive season of service at the club to a minimum of 2 points. A player that moves clubs and remains at the club he transferred to for five consecutive seasons, shall attract one-point value in the subsequent season.

If a player is deemed to fit in more than one category for points allocation, they must be allocated the category that attracts the highest points value.

A Replacement Player is deemed to have the same points value as the player they're replacing in a match.

Any non-Australian citizen or permanent resident that is classed as a 'Local Player' in the definitions under 1.1.1(k), shall attract the same Player Points as defined under the 'Players from other Countries' category in clause 9.1.4.

Ladders Calculation

In all senior & junior competitions, all points gained from any match formats played in that grade shall be counted towards the ranking in the relevant grade. All match point allocations will be listed in a grade's respective annexure.

To determine the ranking of teams otherwise on equal points, the Quotient calculation method will be used for all Senior Male competitions (excluding First Grade One-Day League Ladder, Premier T20s & Colts League).
$$\left(\frac{\text{Total Runs Scored}}{\text{Total Wickets Lost}} \right) / \left(\frac{\text{Total Runs Scored Against}}{\text{Total Wickets Taken}} \right)$$

To determine the ranking of teams otherwise on equal points, the Net Run Rate calculation will be used for Male First Grade One-Day League, Male Premier T20 & Colts League competitions, Senior Female and all Junior competitions.
$$\left(\frac{\text{Total Runs Scored}}{\text{Total Overs Played}} \right) / \left(\frac{\text{Total Runs Scored Against}}{\text{Total Overs Bowled}} \right)$$

The Male & Female Premier Club Championship points will be awarded to each club during non-finals rounds, based on points earned in each grade of the Senior competitions. [Ladders Viewable Here](#)

The umpire must then lodge a **Code of Conduct Complaint** with the Cricket Operations Unit no later than 12 noon on the Monday following competition of the match. Failure to comply does not automatically invalidate the complaint. The reported player/official's complaint must be referred to the Disciplinary Committee, who shall determine the level of offence & offer a penalty or refer the matter to tribunal.

An **Offer of Penalty detailing Statement of Findings or a Notice of Tribunal Attendance** is communicated by the Cricket Operations Unit to the relevant club no later than 5 PM on Monday following the conclusion of the match in which the offence has occurred.

A notification of **Acceptance/Rejection of Offer of Penalty** must be communicated by the club to the Council/Cricket Operations Unit no later than 12 PM on Tuesday following the conclusion of the match in which the offence has occurred.

A signed **Acceptance of Offer of Penalty** must be submitted as soon as feasible. A club official may sign the Offer of Penalty on a player's behalf.

If the Offer of Penalty is rejected, A **Statement of Defence** must be submitted by the player/official via the club no later than 5 PM on Tuesday following the conclusion of the match in which the offence has occurred. This Statement of Defence shall be in response to the Statement of Findings and will be passed on to the independent Tribunal for final adjudication.
