4.2 Player Code of Conduct and Offences

- 4.2.1 The WADCC will adopt from time to time and modify as appropriate to its Competitions the Code of Conduct published by Cricket Australia and the International Cricket Council (ICC), which contains details of undesirable conduct. The WADCC Code of Conduct is set out in clause 4.2.3.
- 4.2.2 All players, umpires and officials competing in WADCC Competitions, or in matches organised by the WADCC are bound by and required to comply with the WADCC Code of Conduct published in these Rules.
- 4.2.3 The following offences are adopted from the Cricket Australia Code of Conduct and for application of each, reference should be made to the guidelines that accompany the Cricket Australia Code of Conduct (reproduced in the boxed section below each Offence below). The provisions of the Rule itself take precedence over any guidelines.

LEVEL 1 OFFENCES

1.1 Abuse cricket equipment or clothing, ground equipment or fixtures and fittings.

Includes actions outside the course of normal cricket actions such as hitting or kicking the wickets and actions which intentionally or negligently result in damage to the advertising boards, boundary markers or any part of or the contents of any building or structure at the ground.

1.2 Show dissent at an umpire's decision.

Includes excessive, obvious disappointment with an umpire's decision or with an umpire making the decision and obvious delay in resuming play or leaving the wicket.

This Rule does not prohibit the bowler involved in the decision or a team captain from asking an umpire to provide an explanation for a decision, or the captain from commenting on the umpires' performance in their Captain's report.

1.3 Use language that is obscene, offensive or insulting and/or making of an obscene gesture.

This includes swearing and offensive gestures which are not directed at another person such as swearing in frustration at one's own poor play or fortune.

The extent to which such behaviour is likely to give offence shall be taken into account when assessing the seriousness of the breach.

1.4 Engaging in excessive or unnecessary appealing.

Excessive shall mean repeated appealing when the bowler/fielder knows the batter is not out, with the intention of placing the umpire under pressure. It is not intended to prevent loud or enthusiastic appealing. However, the practice of celebrating or assuming a dismissal before the decision has been given may also come within this Rule.

1.5 Point or gesture towards the pavilion, including by words, in an aggressive manner upon the dismissal of a batter.

Includes charging or running up to the batter and "getting in his [or her] face" or giving a 'send-off' to a player by words or action.

1.6 Failure by a team to ensure that condition of a ball is not changed in breach of Law 41.3.

LEVEL 2 OFFENCES

2.1 Show serious dissent at an umpire's decision.

Dissent should be classified as serious where the dissent is expressed by a specific action such as the shaking of the head, snatching cap from the umpire, pointing at pad or bat, other displays of anger or abusive language directed at the umpire or excessive delay in resuming play or leaving the crease.

This Rule does not prohibit the bowler involved in the decision or a team captain from asking an umpire to provide an explanation for a decision, or the captain from commenting on the umpire's performance in their Captain's report.

2.2 Engage in inappropriate and deliberate physical contact with other players or officials.

Without limitation, players will breach this Rule if they deliberately walk or run into or shoulder another player, official or match official.

2.3 Charge or advance towards the umpire in an aggressive manner when appealing.

WADCC GENERAL RULES

2.4 Deliberately & maliciously distract or obstruct another player or official on the field of play.

This is not intended to replace Law 41(4) and (5) of the Laws of Cricket.

Without limitation, players will breach this Rule if they deliberately attempt to distract a striker by words or gestures or deliberately shepherd a batter while running or attempting to run between wickets.

2.5 Throw the ball at or near a player or official in an inappropriate and/or dangerous manner.

This Rule will not prohibit a fielder or bowler from returning the ball to the stumps in normal fashion.

As a guide, the appropriateness of the throw will be deemed by whether the batter was attempting a run, whether there was a realistic opportunity for a run out, was the bowler intentionally trying to intimidate the batter and/or whether the batter was struck by the ball.

2.6 Use language that is obscene, offensive or of a generally insulting nature to another player, official or spectator.

This is language or gestures which are directed at another person. See comments under Rule 1.3 above in relation to the seriousness of the breach.

2.7 Change the condition of the ball in breach of law 41.3.

Prohibited behaviour includes picking the seam or deliberately throwing the ball into the ground for the purpose of roughening it up and the application of moisture to the ball other than perspiration.

2.8 Without limiting Rule 8, attempt to manipulate a Match in regard to the result, net run rate, bonus points or otherwise. The captain of any team guilty of such conduct shall be held responsible.

Prohibited conduct under this Rule will include incidents where a team bats in such a way as to either adversely affect its own, or improve its opponent's performance points or net run rate.

LEVEL 3 OFFENCES

3.1 Intimidate or attempt to intimidate an umpire or referee whether by language or conduct.

Includes appealing in an aggressive or threatening manner.

3.2 Threaten to assault another player, Team official or spectator.

3.3 Use language or gestures that offend, insult, humiliate, threaten, disparage or vilify another person on the basis of that person's race, religion, colour, descent, sexuality or national or ethnic origin.

LEVEL 4 OFFENCES

4.1 Threaten to assault an umpire or referee.

4.2 Physically assault another player, umpire, referee, official or spectator.

4.3 Engage in any act of violence on the field of play.

4.4 Use language or gestures that seriously offends, insults, humiliates, intimidates, threatens, disparages, or vilifies another person on the basis of that person's race, religion, colour, descent, sexuality or national or ethnic origin.

LAW OF CRICKET AND 'SPIRIT OF THE GAME'

5. Players must obey the 'Laws of Cricket' and play within the spirit of the game.

This is meant as a general Rule to deal with situations where the facts, gravity or seriousness of the alleged incident are not adequately or clearly covered by Level 1 to 4 offences set out above.

Conduct which will be prohibited under the Rule includes time wasting and any other conduct which is considered "unfair play" under Law 41 of the Laws of Cricket.

This Rule is not intended to punish unintentional breaches of the Laws of Cricket.

Reference may be made to any statement or explanation of the Spirit of Cricket published in conjunction with the Laws of Cricket.

Nothing in this Rule or the Code alters the onus on the captain to ensure that the Spirit of the Game is adhered to as stated and defined in the preamble to the Laws of Cricket.

UNBECOMING BEHAVIOUR

6. Without limiting any other rule, players and officials must not at any time in a cricket related situation engage in behaviour unbecoming to a player or official that could bring them or the game of cricket into disrepute or be harmful to the interests of cricket.

This is also meant as a general Rule to deal with situations where the facts or, or the gravity or seriousness of the alleged incident are not adequately or clearly covered by the Level 1 to 4 offences set out above.

It is intended to include serious or repeated criminal conduct, public acts of misconduct, unruly public behaviour and cheating during play.

- 4.4.2 Umpires must warn a Club, player or official for a contravention of the Code of Conduct and report the matter to the other umpire and the player's team captain.
- 4.4.3 Umpires must notify a Club, player or official of any intention to lodge a Code of Conduct complaint, and the nature of the offence committed, within 60 minutes after stumps have been drawn on the day on which the offence is alleged to have been committed. Failure by an umpire to comply with this clause does not invalidate the complaint made.

 - (c) Refer the matter to the Tribunal in accordance with clause 4.11.

WADCC GENERAL RULES

- (a) The time of commencement and of drawing of stumps of each day of the match and the cause of any variations between those times and the scheduled times for start and close of play;
- (b) Any infringement of Disciplinary Matters or Code of Conduct.
- (c) The consistency of the pitch between the first and second days of the match;
- (d) Any other remarks or observations the umpire may wish to report.

5.10.8 Umpires shall enter fairest and best votes into OfficialsHQ using the Voting Module, unless otherwise directed by the Umpiring Manager appointed by the WADCC.

5.10.9 If an Umpire proposes to lodge a complaint against player, Club or official under these Rules, the Umpire must:

- (a) notify the player, Club or official of the nature of the complaint within 60 minutes after stumps have been drawn on the day on which the incident occurred; and
- (b) submit an Umpire Complaint Notification as well as entering the report into the PlayHQ system by no later than 12 noon on Monday following completion of the match in which the offence is alleged to have occurred.

5.10.10 If only one appointed umpire is present, that umpire alone shall determine questions of fitness for play of the ground, weather and light (GWL).

5.11 Junior Player Bowling Restrictions

5.11.1 Junior Players competing in Junior Competition or Senior Competition must comply with these Pace Bowling restrictions and any additional conditions in the Playing Conditions for Junior Competition matches.

5.11.2 Bowlers who are Junior Players shall be limited to a maximum number of consecutive overs in any one spell and to a maximum daily quota as follows:

	U13 Comp	U14 Comp	U15/17 Comp	U17	U19
Max Overs (Pace bowling)	8 overs per day	10 overs per day	12 overs per day	16 overs per day	20 overs per day
Max Spell (Consecutive overs, Pace bowling)	4 overs	5 overs	6 overs	6 overs	6 overs
Rest Between Spells	Same number of overs from that end (e.g. if 5 overs bowled in a spell, then minimum 5 overs from that same end need to be bowled to deem it as 'rest' to start a fresh spell). However, if there is an interval or an interruption in play for 30 minutes or more – 'rest' is served.				

- 5.11.3 It is the responsibility of the Umpires to calculate the number of overs that may be bowled by a Junior Player, to inform the fielding team when the maximum number of overs has been bowled or this clause is being breached, and when the relevant rest period has been completed. It is the responsibility of the captains, Junior Players and Umpires to ensure this clause is complied with.
- 5.11.4 This clause applies to any Junior Player playing in a Junior or Senior Competition. In Senior Competition, captains shall advise umpires who is a Junior Player and the number of overs they've already bowled in a Junior Competition on that day, if any.
- 5.11.5 If this clause is not complied with, WADCC may impose a penalty as per clause 4.16.
- 5.11.6 In this clause:
- (a) "Pace Bowler" means any bowler to whom, in the opinion of the umpires, the wicket keeper would normally stand back and "Pace Bowling" has a corresponding meaning. An over of Pace Bowling is any over in which one or more balls of Pace Bowling occur.
 - (b) "Slow Bowler" means any bowler to whom, in the opinion of the umpires, the wicket keeper would normally stand up to the wicket and "Slow Bowling" has a corresponding meaning.
 - (c) "Spell" means a consecutive period of overs bowled. A bowler who has bowled less than the prescribed number of overs may resume bowling prior to the elapse of 'rest' period of number of overs but this will be considered a continuation of the same bowling spell, and the limit of the prescribed overs in that spell shall still apply. Following the continuation of the spell, the normal requirement for a break of 'same number of overs from the same end' shall apply; a break of less than the same number of overs between the two spells has no effect on the subsequent break being required.
 - (d) Rest between spells is deemed to be served if any intervals or breaks are of a duration of 30 minutes or more.

5.12 Procedure for Handing Suspect Bowling Action

- 5.12.1 As at the date of these Rules, the following Law 21 (No Ball) contained these provisions regarding the role of the arm in a valid delivery:
- For a delivery to be fair in respect of the arm the ball must not be thrown (excerpt from Law 21.2); and*
- A ball is fairly delivered in respect of the arm if, once the bowler's arm has reached the level of the shoulder in the delivery swing, the elbow joint is not straightened partially or completely from that point until the ball has left the hand. This definition shall not debar a bowler from flexing or rotating the wrist in the delivery swing (Law 21.2).*
- 5.12.2 In all WADCC Competitions this Law is modified so that a "no-ball" will only be awarded for a breach of Law 21 if it is considered by the umpire that the bowler deliberately threw the delivery, but not because of doubt about the player's general bowling action for which the player has not received a warning under clause 5.12.3.
- 5.12.3 In the interests of the player concerned and WADCC Competitions, the umpire may issue a warning to the bowler, captain or coach that he considers the bowler's action to be unfair and that the club must undertake remedial work as per WADCC Suspect Bowling Actions Policy if required. The umpire must also note it on the match report and advise the WA Cricket Umpiring Manager.

5.13 Running of Drinks

- 5.13.1 In Junior Competitions only, the running of drinks onto the field of play for either team between overs shall only be a member of the playing team. All players must seek approval from the appointed umpire(s) before they request for a drink to be run on to the field of play. This does not apply to a scheduled drinks interval. For clarity, a member of the playing team shall be defined as a player listed on the team sheet.

- (a) The main principle to be applied is one of fairness to both the player and the Club from which he requires to be transferred.
- (b) Fairness, considered from the player's point of view, means a consideration of what the player considers is best for him. If the application is made after the start of the Season, the player must also take into consideration that they have registered with the Club for all practical purposes to play for that Club for that Season and a Transfer will only be granted in special circumstances, being circumstances which are considered by the WADCC to be unusual, exceptional or atypical.
- (c) Fairness to the Club should take into account that the player has agreed to play for that club for the Season upon agreeing to register with the Club for that Season only, and the Club has an expectation that the player will play the entire season for that Club.
- (d) If a doubt exists then the benefit of that doubt should be given to the Club.

If match results are not entered before the next fixture in the Competition the WADCC may refuse to allow the team to be awarded points for the match.

11.3 Ladders

- 11.3.1 Ladders for each Competition shall be calculated in PlayHQ by setting the points system equal to the points designated in the relevant Competition Rules for win, draw, tie or loss.
