

WA PREMIER CRICKET

Emergency Response Policy

Version 2 – April 2026

Each WA Premier Cricket Club is required to have a functional emergency plan that will assist in managing any accident, injury or emergency that occurs at its venue.

A Premier Club must meet the following requirements:

- Display its emergency plan in its clubrooms, including contact details for doctor/medical centre, hospital emergency department, ambulance, fire brigade and police.
- Have a current Certificate of Currency for the Club's Public and Products Liability Insurance as part of the Marsh National Club Risk Protection Programme.
- Have at least one first-aid officer present during the hours of play.
- Have the captain, senior player or someone within each team with appropriate first aid training.
- Have a fully stocked and up to date First Aid kit, ice packs and stretcher at each venue.
- Have the following information sheets available: National Club Risk Protection Programme Summary, General Public and Products Liability Summary, Personal Injury Summary, Club Management Liability Summary, How to Make a Claim Fact Sheet, Risk Management Information Sheet, Game Day Checklist Case Study, Medicare vs Risk Protection, Inspections and Checklists and Cricket Australia's Playing Policies and Guidelines.
- Have the following policy documents available: Personal Injury Policy Wording, Personal Injury Policy Schedule, Club Management Liability Policy Schedule, Club Management Liability Policy Wording, Combined General & Products Liability Policy Wording (Primary) and Combined General & Products Liability Policy Wording (Excess).
- Have the following forms available: Marsh Sport Personal Injury Claim Form, Game Day Checklist, General Liability Claim Form and Loss of Income Claim Form.
